

# **ANNUAL REPORT (2019-20)**

## **1. Introduction**

JAGANNATH UNIVERSITY has been established in 2008 by an Act (Act No. 19 of 2008) of Rajasthan State Legislature and is recognized by UGC under Section 2(f) of the UGC Act 1956, empowered to award degrees as specified by UGC under Section 22 of the Act. It came into existence with an aim to impart quality education in a highly competitive global environment in a wide array of disciplines through latest curriculum, latest teaching methodology, development of excellent physical and academic infrastructure and rigorous industry-interaction. The University was started with the noble ideals of promoting higher education in the State of Rajasthan through research and dissemination of knowledge. The University aims at emerging as the national leading centre of comprehensive learning at the national level. There are a number of features that make the University unique in itself. It has been making rapid strides in its march to attain excellence in providing higher education in the areas of Management, Engineering, Architecture, Law, Mass communication, Information Technology, Agricultural Science, Education, Physiotherapy, Pharmacy, Vocational Course, Social Sciences & Humanities and many other disciplines, thereby enabling the students to achieve professional competence in their chosen fields. Most of the courses offered at the University are interdisciplinary and they have been streamlined to meet the emerging demands both in the public and the private sector.

The University is NAAC accredited and is undergoing the second cycle of the same. Towards the same, a nodal body, Internal Quality Assurance Cell (IQAC) has been constituted as per guidelines of NAAC and UGC. The body functions under the aegis of the Vice –Chancellor.

### **Landmark Achievements:**

The University strongly believes in community development. It has been “Recognized Social Entrepreneurship Swachta and Rural Engagement Cell” ( SES REC) Institution. The University has successfully framed the SES REC Action Plan and constituted ten working groups for improving facilities in the campus and the community /Adopted villages in the areas of sanitation & hygiene, waste management, energy conservation and greenery by Mahatma Gandhi National Council of Level Education, Department of Higher Education, Ministry of Education, Govt. of India. The University has been awarded Best Private University with Academic Excellence in Rajasthan at Iconic Education Summit & Awards, 2019. The University's participation with Joint Entrance Examination (JEE-Main) was a landmark achievement of this academic year.

### **Initiatives undertaken in response to Covid-19 pandemic:**

The academic year 2019-20 was marred by the outbreak of Covid- 19 Pandemic .The University`s research and development cell had forecasted the spread of outbreak as the news of the first case came in light. The management realized that in its journey of being excellent, distinct and internationally competitive, the University had to fulfill its primary responsibility towards the society. The Management under took a series of following proactive measures in the interest of the students and local community:

- As per the direction of Hon`ble Chief Minister of Rajasthan dated 13th March, 2020, all the hostels were evacuated by 15th March, 2020 and subsequently all the auxiliary services e.g. housekeeping, security, gardeners, electricians were suspended immediately except for few of them were on duty on rotational basis.
- The mess was instructed to prepare food packets for distribution to the needy and police personnel in the local areas. The service was run twice in the day.
- All the directives received from State Government, Central Government, UGC and any other regulatory bodies were informed to all the students and staff members from time to time through e-mail, WhatsApp, University website for necessary compliance.
- All the mentors were instructed to be in touch with their mentees to boost-up their moral and provide them the best possible support in this critical situation. The University also set up a help line number and Live Chat to assist the students during pandemic situation.
- In fact we have develop a link as `Covid 19 Updates` on our University Website Home Page and uploaded all related information on that webpage from time to time for the information of all the staff and students at large.
- The Management also offered the main campus infrastructure of 400 beds as a Covid - 19 Care and Relief centre for patients of Chaksu and nearby villages .The University`s medical team was instructed to assist the government and provide all necessary assistance to the team of government doctors.
- The University made provisions for online education to the students. The teaching faculty had been already been trained on the Moodle platform through subsequent training workshops. The students were provided academic support through online classes, e-books and online tests. Time to time all the faculty members and students were informed to attend various online webinars to enhance their knowledge.
- The University made special provisions for internship requirement of students. The students were offered virtual internships through tie-ups in the industry.

- Since, we were already warned by the research and development department on the possible impact of the pandemic, the management ensured that the final year students had undergone the placement process in the months of Aug. to Feb. The University was able to secure 93.2 percent placement of final year students across all disciplines.

## **2. Infrastructure**

The University has its main campus situated at Chaksu, Jaipur which is in proximity to the Airport and Industrial area on Tonk Road, with all modern education facilities. The University has a satellite campus comprising of 10 acres at Sitapura. The WI-FI enabled campus has the state-of-art infrastructure comprising magnificent buildings, environmentally conditioned Administrative Block, Academic Blocks, spacious Class Rooms with internet and intranet connectivity and hi-tech multimedia and audio-visual equipments, well-equipped modern Laboratories, Learning Resource Centre, Auditorium, Seminar Hall, separate hostels for boys and girls with special emphasis on healthy and nutritious diet, Health Centre, Students Centre, Day Care Centre, Ramps for physically challenged students, sports facilities including Gymnasium, Indoor Stadium and on campus residential facilities for a large number of faculty and staff . Both the campuses have a unique calmness with serene atmosphere and luscious green foliage. The University has planned for a phased expansion of 17.39 hec. of land available in the campus. The Management also has increased the area under green foliage from 58.3 percent to 62.7 percent. The area under polyhouse plantation has been increased by 500 sq.mts. The campus has been secured by installation of 53 CCTV cameras and live footage monitoring by IT Cell. Regular sanitisation exercises are also being included in maintenance of the campus infrastructure. A small road connecting Block E (Agriculture Dept) to the Polyhouse is under construction.

## **3. Library -The Store House of Knowledge**

The University Library like all vibrant and productive organizations, strives to keep pace with a global, dynamic and technology-enabled information environment to meet the expectations of its users. The University library during the year continued to march to its mission of facilitating the creation of new knowledge through the acquisition, organization and dissemination of library materials. It offered a range of services including reference and consultation, membership and circulation, document delivery, resource sharing, information alert service, user awareness programs, etc.

The library is fully computerized and is located at the main campus in Chaksu with a network extending to Sitapura campus of the University. The central library is housed in an independent spacious building enough to cater not only the existing needs but also accommodates resources and services for future requirements. Our efforts in building and

updating the collection continue unabated. Our collection development policy is not constrained by any boundaries and is responsive to the evolving subject areas and demand from curricula.

The Library is well stocked with text books, reference books, national and international periodicals and journals besides many official reports, with reprints. For the benefits of students a Book Bank with a special collection of prescribed text books has been provided by the library. The library provides latest research and reference material in print and audio-visual formats along with the facility to refer to e-journals, CDs, Project Reports, Government Publications, Reports and Newsletters, back volumes related to Management, Information Technology, Mass Communication, Design, Hospitality Management, Science, Engineering, Law, Architecture etc. and the allied subjects for the reference of the students and the faculty which help them in strengthening teaching and learning process.

As a matter of policy, the University pays special attention to not only strengthening the library with additional books and journals, but also to ensure that they are well utilized by the students for their courses as well as to enhance their level of general awareness. Over the years, the library has attained the distinction of being one of the richest University Libraries of the State. In the academic year 2019-20, the libraries were enriched with a catalogue of 1334 e-books in order to facilitate students and faculty with the conduct of online classroom.

#### **4. Class Rooms**

The spacious and airy classrooms have been designed to propel an enquiry based learning that fosters liberation of mind and eagerness to learn. The Classrooms with internet connectivity are well equipped with Hi-tech multimedia and audio-visual equipments to facilitate effective learning which sets the tone in stimulating discussions. The classrooms are the platforms where the students imbibe the virtues of hard work, discipline, ethical practices and achieve the high standards of excellence in every sphere of life. A total of 13 classrooms have been now being added to the existing infrastructure. The classrooms are now being upgraded with smart boards. A total of 76 Almirahs have been allocated to the classroom.

#### **5. Laboratories - Application of Knowledge**

The University has well-equipped separate labs for each faculty for teaching and research. Students use resources of the laboratories to solve problems, perform developmental experiments and work on projects. By devoting longer hours, lab facility and access to the network from each class room and lecture theatre, information is made easily accessible at any point within the campus. All the labs including technical labs are spacious, comprehensively planned, well-equipped with modern gadgets, the state-of-art instruments and apparatus. The laboratories are managed by specially trained technicians who are well

versed in handling specialized instruments. All labs have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out in the labs. Suggestions had been invited for improvement. Quotations have been invited for procurement of new equipment plant pathology lab and chemistry lab.

## **6. Computer Centre**

The University has a Computer Center well-equipped with the most advanced computer systems, line printers, laser printers, scanners, CD writers, zip drives etc to facilitate, foster, and support the essential teaching and research goals of University through the deployment and delivery of computing and communication services to the university's faculty, staff and students. All the departments have been connected through optical fiber. Latest storage devices, E-mail Server, Web Server have been hosted at Computer Centre. The access to internet and optimal use of Information Technology by all the faculty members and students has been initiated by providing more than 1200 nodes/internet connection points in various Departments including University Library.

In addition, Computer Centre has been offering short-term awareness courses for the Faculty, Non-teaching Staff and Research Scholars free of cost from time to time. These courses have been very useful for encouraging the Faculty, Staff and Scholars to make an effective use of Computer Information Technology and other support services.

## **ITC Resources**

Each Faculty has been provided with a workstation equipped with computer systems, printers, scanners and LCD Projectors to support the academic and administrative activities. Adequate numbers of general as well as domain specific softwares are available for quality teaching and research.

## **7. Hostels: Home away from Home**

A hostel is a home away from home. Aware of the special needs and requirements of students, who come from far-flung places, the university tries to provide them a safe, secure and affordable accommodation.

The University has five well-furnished separate hostels for boys and girls with a total capacity of 800 inmates. Rooms are spacious, clean, airy and well maintained with attached bathrooms. Each room is fitted with fan, lights and hard furniture - beds, wardrobes, study tables and chairs. Central air cool facilities have also been provided for each room. Round-the-clock power back-up facility is available in the campus. Air-conditioned rooms are also available on request. Solar heaters have been installed for providing hot water. Water purifiers and water coolers have been installed to provide potable water. The mess menu was

modified to include lemonade in order to boost the immunity of the students All rooms in the hostels have Internet connections. The pollution-free environment adds to the healthy living conditions on the campus. Architecturally, the hostels are aesthetically laid out with plenty of open space and a lot of greenery. Each wing of the hostel has several verandahs and balconies.

All the hostels have mess facilities at very moderate rates, common hall, TV room, reading rooms, telephone, recreational and sports facilities with a tight security system. The students are allowed to use their own computer in the rooms.

The University takes pains to give its students a neat and clean environment and a comfortable place to live in. There are Wardens and Attendants on duty round the clock. The inmates of a hostel are encouraged to live in harmony, like one big family, lending each other a helping hand, mutually cooperating to make hostel life a rich and fruitful experience.

### **8. Faculty Accommodation**

Since teachers belonging to far-off places teach in the University campus, therefore the university has made necessary arrangements for their lodging in the University campus. For this, flats have been constructed for teachers so that they can devote their full time and energy for improving the academic standard of the students. Centrally situated, the teachers' flats are at a walking distance from all departments. With spacious and well ventilated rooms and serene surroundings, the teachers' flats offer ideal living conditions. Pest Control exercises were extended to staff quarters. The quarters have been equipped with 9 WAP points in this academic year. Regular sanitisation exercises have also been initiated for the faculty quarters. A special shuttle service has also been initiated for families of staff members.

### **9. Sports/ Playgrounds-Area for Growth**

Ample sports facilities have been created on the Campus for the all round development of students. This facilitates individuals to imbibe sportsman spirit, develop social values and to be humble in victory and gracious in defeats and a spirit of co-operation, discipline, honesty and integrity. A Modern Indoor Sports Complex is available on the campus. Besides vast playgrounds and several playrooms, the University has facilities for a number of indoor and outdoor games. Students are encouraged to form special clubs and engage in social and cultural activities. Some of the indoor and outdoor facilities available include:

- Multipurpose ground for playing Football, Hockey etc.
- Volley Ball/Basket Ball Court
- Indoor Games such as Table Tennis, Carom, Chess etc.
- A Cricket Ground

Sports culture at Jagan Nath University is gaining popularity. The number of sports activities conducted throughout the year is increasing. The pride we feel looking back into the past of the University sports and its sportsmen makes us emphatically hopeful of its brighter and shinier future, a future, that will be full of achievements by individuals and teams representing the University. It has conducted its own sports festival and has continued to participate in various university level competitions. At the Annual Sports Festival, the sports like cricket, football, basketball, volleyball, table tennis, badminton, carom, chess, athletics etc. are organized. Both intramural and extramural competitions are planned in such a way that students are able to participate regularly in games and sports activities throughout the year. All sports equipment have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for improvement. Quotations have been invited for procurement of new cricket and table tennis kit. Playground for Kho-Kho and Kabaddi has been identified and space has been allocated for the same.

#### **10. Gymnasium**

A modern spacious Gymnasium offering wide range of physical exercise machines was established to make the students and staff physically fit and agile. The students and staff enthusiastically use the facilities at Gymnasium. All equipments have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for improvement. Quotations have been invited for procurement of new dumbbells and weights for the facility.

#### **11. Cafeteria**

The Cafeteria is a place to relax after long hours of study. Always occupied by students both juniors as well as seniors, the cafeteria has many goodies to offer at affordable prices and open all days. The students carry everlasting memories of the cafeteria when they leave the University. All equipments & furniture have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for improvement. The menu has been revised on popular demand to include dishes from the local cuisine.

#### **12. Shopping Complex**

A small shopping complex has been constructed in the campus for the benefit of the students. The shopping complex has all those commodities to offer which one needs in daily life, be it books or toiletries, stationary or grocery. The shopping complex also has a Xerox Machine which comes in handy for the students while preparing notes etc. The Complex opens early in the morning and remains open till late in the night. All furniture have

undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for improvement. The shopping complex now also houses products of lower price range.

### **13. Auditorium**

Construction of an auditorium with a capacity of 500 seats has been completed. The University has already completed the work of digital projection equipped with the most modern light system, music system, stage control system and eco-proof etc. in the Auditorium.

### **14. Transportation**

There is a fleet of buses, cars and others to provide uninterrupted transport facility to the students and faculty from their residence and back. Students from the adjoining area (within a radius of 50-60 kms) normally avail the University transport facility. Well maintained cars are being used by the officers of the university and also for picking/dropping the guests visiting the University. All buses and cars have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for improvement. The buses have been upgraded with fastags in compliance with the order received from Ministry of Roadways.

### **15. Plants for Waste Water**

The University has three plants for waste water treatment and re-use. The entire waste water after treatment is used for irrigation. We also separate plastics; metals and paper waste at the source itself and prepare it for recycling. Food waste is composted constantly. All plants have undergone routine inspection and maintenance services.

### **16. Construction and Maintenance Facilities**

The University has a well-developed unit of Works and Plants for undertaking various maintenance works at the University campus. It has three separate wings of electrical, water and construction to take up new work and look after the repair and maintenance of the existing buildings and installations. Suggestions had been invited for improvement.

### **17. Special facilities to students of weaker sections, physically handicapped and women**

The University has been strictly following the reservation policy in respect of admissions to various courses for SC/ST/OBC/SBC and physically handicapped candidates, appointments to teaching and non-teaching posts, staff quarters, hostels.

The University continues to encourage the women students to join various courses by providing them hostel and other facilities on priority. Since inception of the University, the percentage of women students admitted to various courses has been fairly high. To protect the women from sexual harassment, Internal Complaint Committee is already in operation. The Women Development Cell is working on the University campus for the welfare of the women. Jagannath University Balika Shiksha Sambal Yojana is continuing for the benefit of five BPL girl students. The students covered under this scheme are provided free education. In the academic year 2019-20, five girl students from different streams were enrolled in the Balika Shiksha Sambal Yojana.

### **18. Admission Procedure**

The University ensures wide publicity and transparency in admission through advertisement in news-papers, organizing career fairs, contact programmes, personal counseling events, visits to schools and colleges and television announcements. Admission in different courses is merit based as per the rank obtained in the Common Entrance Test or marks obtained in qualifying examinations followed by GD and interview. The University follows the reservation policies of the Government by allotting seats to all reserved categories, women, sports persons and physically disabled candidates. The high quality of its intake has enabled the University to maintain its commitment to excellence in teaching and research.

The University accepts students from any of the recognized National State Level Entrance Examinations in Engineering, Management, Law, Education, Agriculture & Architecture. The students with valid score card in JEE-Main, MAT, CAT, UJET, NATA, CLAT, PTET, JET etc. are considered provided they fulfill minimum eligibility criteria of the University. The University has been officially enrolled under JEE, MAT examinations for admission to the University.

### **19. Human Resource - A Precious Asset**

At Jagan Nath University, we pride ourselves in having a team of dedicated, experienced and highly qualified faculty comprising of academicians, researchers, professionals, administrators, consultants and managers who, through motivation, counseling and training, prepare the students to meet the challenges of the modern era. They carry out consultancy assignments to keep in touch with the real life management problems in public and private corporations, financial institutions, national and international organizations. They guide the students as eminent entrepreneurs, policy makers, researchers, theoreticians and consultants through their vast experience in varied corporate houses and focus on the overall growth of the individual.

In addition to the permanent faculty there is a healthy pool of visiting faculty from the best academic institutions and leading professionals from the corporate world with rich industry

experience. They encourage the students to look beyond the books and explore the subject with experimental learning.

Teachers are encouraged to adopt alternative teaching methods and are geared up to adopt methods based on computers and information technology. The teachers are also encouraged to attend seminars and conferences, workshop, training programme for which liberal grant is given by the University. In the academic year 2019-20, the faculty has published a total of 103 research paper in national & international journals and has attended 567 seminars, conferences and workshops. They have published a total of 19 books and conducted 17 conferences. A total 25 students were successful in submitting their final thesis.

## **20. Curriculum**

The University has adopted the Choice Based Credit System (CBCS) as per guidelines laid down by the UGC from the academic year 2015-16. The CBCS provides a '*Cafeteria*' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning. Academic input is delivered through four types of courses – Core, Elective, Ability Enhancement and Skill Enhancement. Core courses are compulsory for all participants as a requirement to complete the programme in a said discipline of study. The Elective Courses which can be chosen from a pool of papers may be 'Discipline Centric/Specific' & Generic Elective. Ability Enhancement Compulsory Courses (AECC) are based upon the content that leads to knowledge enhancement, for example : English Communication, Environment Science/Studies, etc. Skill Enhancement Courses (SEC) provide value based and/or skill based knowledge and may content both Theory and Lab/Training/Field Work. The main purpose of these courses is to provide students life- skills in hands – on mode so as to increase their employability.

Keeping in view the National and International scenario, the University is actively pursuing continuous updating of teaching curricula, designing courses on emerging areas and identifying research priorities with a focus on the problems and needs of the people.

## **21. Summer Internship**

In order to retain the focus of the students on the academic programmes and to compliment it with relevant work experience during the two-month long summer break, the University has introduced a scheme of internship to all its students. The main objective is to provide an edge to the students to ensure better placement opportunities for themselves on completion of their degrees. It is also to give them a feel of the work environment in organisations of the type they would possibly be associated in their professional careers. The organisations

facilitating internship, cover a broad spectrum of the industry, government, academic institutions, health institutions, regulatory bodies, NGOs, media etc.

The respective departments, in association with the facilitating organisations, are monitoring the work and regularity of the interns. It is also proposed to take feedback from the students after completion of their internship to increase the effectiveness of the scheme. The University made special provisions for internship requirement of students. The students were offered virtual internships through tie-ups in the industry.

## **22. Entrepreneurship Development Cell (EDC)**

The University has a well established Entrepreneurship Development Cell (EDC). The major objective of this EDC is to enhance and encourage the entrepreneurial spirit among the young students, and hence creating more job providers rather than job seekers. The Cell not only motivates the necessary knowledge and skill sets to help them to work as entrepreneurial manager rather than a simple traditional manager.

Since, its inception, the EDC is actively engaged in achieving its objectives through several ways like conducting entrepreneurial workshops, exercises, seminars, entrepreneur's talks and many more activities relating to entrepreneurship. Through our initiatives, we are trying to unleash the entrepreneurial potential of our young students and at the same time, we also provide the vital support system to help them in starting their entrepreneurial career. A road map for the establishment of an incubation centre has been approved. The Management is in the process of signing of MoUs with experts and venture capitalists .

## **23. Research and Extension Facilities**

The Research and Technology Development Centre (RTDC), a nodal centre to foster the research activities in various multidisciplinary areas has been established to explore cutting edge high tech research in the frontier areas of engineering, management, law, Information Technology, mass communication and Social Sciences & Humanities.

The University continues to give priority to encourage research and the efforts that have been made in this direction include:

- Identification and appointment of eminent scholars as faculty members.
- Encouraging and providing funds to faculty to undergo advanced training in India and foreign countries.
- Deputing faculty under exchange programmes.
- Encouraging faculty to attend National and International Conferences.
- Institution of Best Researcher awards to deserving teachers.

The University was successful in appointing 14 eminent scholars as faculty members. A total of 65 faculties availed the funds provided to them for undergoing advanced training. The management had been proactively updating the faculty on the upcoming conferences, seminar, workshops through emails and group notifications.

#### **24. Corporate Resource Centre**

The Corporate Resource Centre has been established to facilitate a larger industry-academia interface in higher education. It is a nodal Centre for faculty, academics, and industry for mutual interaction and research. The Centre focuses on seeking wider industry participation in the academic process particularly in research, course designing, and curricula delivery. It helps and encourages faculty to seek industry assignments and use the same as a source of updating their practical knowledge base. This has also opened up possibilities of bringing real life corporate experience in the interactive teaching-learning in classroom sessions. During the year the students were encouraged to participate in conferences organized by different bodies like AIMA, FICCI, CII and ASSOCHAM. The Centre was successful in initiating tie-ups with Intershala & First Naukri to provide industry perspective on its expectations of the recruits.

#### **25. Orientation Programme**

An orientation programme was conducted in September 3, 2019 to welcome the new UG and PG students in the academic session 2019-20 of the University. All the faculty members, students and the staff members of the University had attended the programme. The programme started with the welcome speech and introduction of various functionaries of the University. The President motivated the students to remain involved in studies and to participate in co-curricular and extra-curricular activities. Further, the President said that the induction programme would contribute to students' understanding of the relevance of higher education to their life and then only would they be able to reach the crest of the success. He also provided information about the various courses started being run by the University.

During the general orientation, the UG students were given detailed account of the curriculum, academic requirements and policies. The students were given a campus tour to familiarize them with the facilities and resources available on campus. They met instructors of the first semester courses for briefings. Similar sessions were organized programme-wise for the PG students, with emphasis on the details of the curriculum and the available options with regard to elective courses. Apart from academic orientation, they were also given orientation of hostel life by student volunteers. The newly admitted students were also given library orientation classes to introduce them to the library collection, services and the use of electronic resources.

## **26. Personality Development**

Personality development is as critical as academic excellence. So, for a structured personality development students' character traits are analyzed and nurtured accordingly. The University therefore, emphasizes the all-round development of its students. It aims at producing not only good professionals, but also good and worthy citizens of a great country, aiding in its overall progress and development. It endeavors to treat every student as an individual ensuring that s/he receives the best preparation and training to reach to her/his maximum potential for achieving her/his career ambitions and life goals. The faculty also share a keen interest in the students' personality development and help them gain a healthy thirst for knowledge and a determination to succeed, while retaining traditional values of discipline, respect and sincerity in all their endeavors. Each faculty mentors a group of 20 students. The faculty guides each student in their academic as well as personal lives, throughout the duration of their course. The Mentor –Mentee program had been identified as a crucial pillar in execution of the program. The individual program streams had distinctly identified the mentors and allocated mentees based on a preliminary psychological test of the student's. The program was successful in shaping the personality of the students, resulting in 93.2 percent placement of final year students across all disciplines.

## **27. Efficient Governance - Strategic Working**

Good Governance forms the bedrock of any world-class organization or University. The governance structure at Jagan Nath University is modeled to evolve a system that helps to draw upon the strengths of academic community and industry professionals.

From day one, the University has the good fortune to have distinguished personalities as its Presidents who gave direction to the institution in its formative years. These visionaries left no stone unturned in making the institution one of the best in the country.

The University is headed by the Chairperson who remains constantly in touch with the President and advises him on the functioning of the University. The Board of Management, Academic Council, Finance Committee, Board of Studies, Departmental Research Committee, Examination Committee, Library Committee & Admission Committee are the University authorities to regulate and monitor the governance of the University on all academic and financial matters and also to frame the rules and regulations. The meetings of The Board of Management, Academic Councils and Finance Committee were held regularly as per the schedule approved by the University. The President is supported by Deans of the faculties, Head of the Departments, Registrar, Controller of Examinations, Chief Finance and Accounts Officer and other officers and staff. The University followed an academic calendar of events. However, in the current academic year, the calendar was revised to accommodate online

activities in view of the COVID-19 Pandemic. The University ensures the implementation of reservation and other educational policy of the State Government of Rajasthan.

Functioning smoothly, following the provisions of the Acts and Statutes, the administration has been streamlined to ensure efficiency reflected in maintaining the schedule of admissions, in completing the courses, conduct of examinations, declaration of results and conducting research, etc. As a guiding principle for a fair administration, faculty of the University is associated with the process of decision making at various levels. Students, too, are associated with the various administrative channels related to their education, curricula and hostel accommodation. Thus, in the pyramid of administration from top to bottom, all the segments of the University have made their respective contribution to the regularity and responsive administration of the University.

## **28. Teaching-Learning Process**

Teaching-learning processes at the University are ever evolving and innovative. The teaching learning process manifests efforts to realize learner centered approach and technology orientation. They are monitored with work plans and the predetermined academic calendar of events. Use of information and communication technology is well appreciated. Conventional lecture method is supplemented by Laptop and LCD. Students' involvement in learning is realized by means of project work, paper presentations, case studies, excursions, group discussions and industrial visits. Plays and organization of exhibitions in the university also help students to increase their commitment to the subject. Students are motivated to take part in various debates, elocution and other similar competitions, which promote their analytical thinking. The students of the University have won various positions in extra mural activities in various competitions. Tutorial classes are also arranged to improve the communication skills of the learners. A total of 27 new case studies have been developed by the faculty in collaboration with the students to enhance their understanding of respective concepts.

## **29. Uniqueness of Academic Pattern**

### ***(i) Language Laboratory***

The Language Laboratory is used for language tutorials. These are attended by the students who voluntarily opt for Remedial English Classes. Lessons and exercises were recorded on weekly basis so that the students are exposed to a variety of listening and speaking drills. This especially benefits students who are deficient in English and aims at confidence building for interview and competitive examinations. The Language Laboratory sessions also included word games, quizzes, extemporary speaking, debates, skits etc.

### ***(ii) Practical Training***

Besides meticulous academic teaching, an emphasis was given on practical training for professional careers of the students. Rural camp, study tour, seminar, guest lectures by visiting experts, and term-end review are some of the mandatory but noncredit components of the teaching programme for the major courses run by the Faculty. In different ways, each of these activities contributed towards enhancing social sensitivity. Activities imparting skills for problem solving, situational analysis, reflection, action, understanding of systemic marginalization of vulnerable groups, rural, urban, tribal service management programmes were conducted through participatory research, creative writing, small group assignments, paper presentation, discussions at formal and online platforms.

### ***(iii) Learner Oriented Planning***

Routine class teaching and the intensive interaction with the students and performance in internal assessment and mid-term examinations enables the teachers to identify slow and advanced learners who are then given assistance to improve their academic competence. Summer courses of 4-6 weeks duration were organized for slow learners while advanced learners are encouraged to participate in seminars/workshops etc. In addition, students were also encouraged to enroll themselves on the SWAYAM platform.

### ***(iv) Mentoring System***

The teacher takes on the role of a facilitator. The teachers supported and helped the students to discover their own style of learning by providing course-material, evaluating students' presentations, moderating discussions and lecturing on topics that are selected in plenary discussions conforming to the curricula. They had also suggested topics for lecturing and discussion according to the curriculum. The teachers adopted presentation and group discussion method to make the topic more interesting. The teachers frequently gave the illustrations and discussed the topics to acquaint the students with the practical insight of the subject. Efforts were made to develop use of library for research and study. Reading habits were sought to be developed through suitable assignments. The individual program streams had distinctly identified the mentors and allocated mentees based on a preliminary psychological test of the student's. The program was successful in shaping the personality of the students, resulting in 93.2 percent placement of final year students across all disciplines.

## **30. Feedback System: First Hand Improvement**

The University follows the mechanism of student evaluation of teachers to improve the teaching-learning process. The University has developed questionnaire suitable to all departments to undertake student feedback on courses, departments, teachers, campus, and support devises at the end of every semester. At the end of each semester, the feedback was collected from students A detailed analysis of the feedback was carried out the research and

development department in collaboration with the academic council .A feedback was also collected from teachers as well as from the parents. A detailed analysis of the feedback was carried out the research and development department in collaboration with the academic council. If the response regarding the performance of any teacher is not within expectation then authorities guided and encouraged concerned teacher for improvement in substance and technique. The feedback mechanism serves as a crucial platform to improve the infrastructural facilities, teaching - learning process and basic amenities in the University.

### **31. Examination System - Benchmarking Excellence**

The University examination system is based on the philosophy of continuous teaching and evaluation. The University follows the semester system with Choice Based Credit System (CBCS) in the academic year 2015-16 as per the guidelines laid down by the UGC. Setting up of question papers is done by External experts and the answer books are evaluated by them. At the end of each semester, students have to meet the minimum criteria of academic performance stipulated in University's Regulations to be promoted to the next semester. There is a zero tolerance of copying in the examination.

The University works with utmost ethics, transparency, non-interference, accountability and decentralization. It has a well organized and transparent Examination System. The University makes every attempt to make the teaching, learning and evaluation process to be effective and innovative. The conduct of Examinations is systematic, methodical, prompt and transparent and is held as per the schedule. Central evaluation is followed with coding and decoding procedure. There is provision for recounting and revaluation available at UG level and PG level. The University follows calendar of events for the academic programmes that facilitates the systematic working and conduction of many exams simultaneously.

Continuous assessment based on student's performance and participation in the class on daily basis throughout the term, through assignments, projects, term papers, home works followed by tests, design problems or case studies, is an integral part of the evaluation of a student's performance and the examination system is completely transparent, with a provision for scrutiny of answer books by the students.

### **32. Training & Placement - First Step to the World of Work**

Placements at the University is a regular activity. The University has a dedicated ' Training & Placement cell' headed by Training and Placement Officer, along with the Alumni Cell of the University. The Training & Placement Cell aims at making available quality placement opportunities for students and at maintaining linkages with Human Resource Departments of leading companies working in various domains across the country.

The placement cell initiated conferences and conclaves along with other initiatives to maintain cordial relationship with all the recruiting industries. The cell organized mock interviews and group discussions in collaboration with corporate trainers to familiarize

students with standard selection procedures. Different renowned organizations were invited to participate in the placement process.

The University has also maintained close linkage with industries and other organizations, so that students of various disciplines can visit their plants to get a direct insight into the multi-functional processes at these organizations. In-plant training is also organized as per the course curriculum. During the months of July- Dec 2019 industrial tours were organized for the students, whereby their technical knowledge was enriched by visiting various industrial units -power generation units, cement plants and auto-engine manufacturing units, etc.

Placement Events were started in July at the beginning of the academic session. The cell was able to deliver 93.2 percent placement of final year students across all disciplines.

### **33. Linkage /Tie up with the Industry**

The University realises that industry and academia collaboration is the way forward to achieve excellence in higher education. This helps the faculty to familiarize themselves with industrial practices and share the same with the students in the form of case studies to make teaching-learning interesting. To have linkage with the industry, opportunities were provided to the teachers to 'work' with industries for short durations. Researchers were encouraged to work on practical problems faced by the industry and work on it that will be fruitful for both research and industry.

### **34. Co-Curricular Activities - Overall Learning**

In order to ensure that the students have effective learning experience the University organized debates, essay writing, elocution and other competitions both in offline and online mode according to academic calendar to improve and sustain the academic quality of the students. The faculty ensured that the students have effective learning experiences through their problem solving skills. It is believed at the University that the students who are given the freedom to explore areas based on their personal interests, and who are accompanied in their learning by a supportive, understanding facilitator, not only achieve superior academic results but also develop socially and grow personally. A well-maintained, separate computer laboratory with internet and reprographic facility is accessible to the students. They can access latest changes and developments taking place in higher education across the globe.

#### ***Extension Activities***

Various extension activities like AIDS awareness, Survey Work on Below Poverty Line Groups, Blood Donation Camps, Anti- dowry movement, Environmental Awareness, water quality monitoring were organized. Various community capacity building and livelihood programmes including those related to gender and health were also organized. In an effort towards development of social sensitivities and good citizenship qualities among the students most of the departments integrate community outreach programmes into their curricular activities.

### **35. School of Distance Learning**

The School of Distance Learning of the University was established in 2010. The objective was to take university based education beyond the four walls of the University. The School has been functioning effectively catering to the educational needs of employees, house wives and such of those who are interested to improve qualifications in different disciplines. It continues to do so and fulfills a prime social responsibility of providing education at the door step for those who are unable to access formal education. The School offers 5 courses - 3 year BBA and 3 year BCA at Undergraduate level, 2 year MBA and 3 year MCA at PG level and 1 year Postgraduate Diploma in Computer Applications which are duly approved by the UGC Distance Education Bureau.

### **36. Faculties**

The University has taken all measures to effectively address its goals and objectives by providing excellent instruction, competent faculty and staff and by making the needed infrastructure available to its students and researchers. In keeping with this, the University offered variety of programs- Graduate, Post Graduate & Research levels through its various faculties as follows:

- Faculty of Engineering & Technology
  1. Department of Engineering & Technology
    - Computer Science & Information Technology
    - Electrical Engineering
    - Civil Engineering
    - Mechanical Engineering
  2. Department of Architecture & Planning
- Faculty of Law
- Faculty of Management
- Faculty of Education
- Faculty of Sciences
  - Department of Agriculture
  - Department of Physical Science
- Faculty of Medical, Paramedical & Allied Health Sciences
  - Department of Physiotherapy
  - Department of Pharmacy
- Faculty of Vocational Studies

### **37. Proposed Faculties/Departments in 2019-20**

- BNYS
- B.Design

<b>Faculty</b>	:	<b>Engineering and Technology</b>

Mr. Gajendra Shrimal	• Online Workshop on Intellectual Property Rights	April 10, 2020	Eventbrite
	• Webinar on Legal Framework for New Business registration with Special emphasis on LLP's	May 1, 2020	TKM Institute of Management
	• Webinar on Transforming Humanity Through Sustainable Development	June 8-9, 2020	Poornima Institute of Engineering and Technology, Jaipur
	• Importance of Skill Education and Entrepreneurship: BSDU Model	June 2, 2020	BSDU, Jaipur
	• Beyond the Boundaries : Reinventing Horizons, Session Industry 4.0	May 17, 2020	SKIT, Jaipur
	• Beyond the Boundaries : Reinventing Horizons, Session The Power of Collaboration Research, Technology and Business	May 19, 2020	SKIT, Jaipur
	• Webinar on Future of Higher education	May 14, 2020	Shri Vaishnav College of Commerce Organised by Gumsata Nagar, indore
	• Work Shop on Moodle : A Tool for Learning Management System	Dec. 17-19, 2019	Jagannath University Jaipur
	• Faculty Development Programme on Research Methods & Innovative Teaching Methodology	Aug. 6-7, 2019.	Jagannath University Jaipur
	• Workshop on Python Programming-Intermediate	June 7, 2020	SCHOOL OF COMPUTER SCIENCE AND ENGINEERING, JAIN University
	• Teacher's Training Program	Feb. 24, 2020	Jaipur Engineering College and Research Centre, Jaipur
	• Social intelligence in Class Rooms	May 22, 2020	IQAC, Sri Meenakshi Govt. Arts College College for women, Madurai
	• India First Leadership Talk webinar with Prof D. P. Singh, Chairman UGC	May 9, 2020	Innovation Cell, MHRD
	• "India First Leadership Talk webinar With Dr. Nilesh N Oak, Expert (Indian Civilization & History)" Organised by on 30-May-2020.	May 30, 2020	Innovation Cell, MHRD
	• Beyond the Boundaries : Reinventing Horizons, Session Education 4.0	May 16, 2020	SKIT, Jaipur
	• Beyond the Boundaries : Reinventing Horizons, Session Industry 4.0	May 17, 2020	SKIT, Jaipur
	• Beyond the Boundaries : Reinventing Horizons, Session Fly High : innovation and Startups	May 18, 2020	SKIT, Jaipur
	• Beyond the Boundaries : Reinventing Horizons, Session The Power of Collaboration Research, Technology and Business	May 19, 2020	SKIT, Jaipur
	• Beyond the Boundaries : Reinventing Horizons, Session Back to Basics Health, Happiness, and Peace	May 20, 2020	SKIT, Jaipur

• Legal Framework for New Business registration, with Special emphasis on LLP's	May 1, 2020	TKM Institute of Management
• Block Chain Digital Transformation	May 2, 2020	BVM Engineering College, Vallabh Vidyanagar
• Future of Higher education	May 14, 2020	Shri Vaishnav College of Commerce
• India First Leadership Talk webinar With Dr. Pramod Chaudhari, Founder, Chairman, Praj Industries Limited	May 16, 2020	Innovation Cell, MHRD
• India First Leadership Talk webinar With Mr Mahesh Babu CEO Mahindra Electric Mobility Ltd	May 23, 2020	Innovation Cell, MHRD
• Transforming Humanity through Sustainable Development organized by Department of Applied Science on June 8th-9th, 2020.	June 8-9, 2020	Department of Applied Science
• Healthcare Advancement in COVID-19	June 8, 2020	JaganNath University in collaboration with Fortis Hospital
• STP on Building Web Applications in PHP	May 9, 2020	University of Michigan through Coursera
• STP on Python Basics	May 3, 2020	Michigan through Coursera
• STP on SQL for data science	May 5, 2020	University of California, Davis through Coursera
• Importance of Skill Education and Entrepreneurship : BSDU Model	June 2, 2020	institute of innovation council of BSDU, Jaipur
• Three days workshop on NLP – Mind Mastery Breakthrough	Jan. 31 to Feb. 1,2 2020	Ruuhana World at Jaipur
• Moodle Test for Teachers Training	May 11, 2020	MGM's Dr. G. Y. Pathrikar College of Computer Science and Information Technology, Aurangabad and IIT Bombay
• Faculty Awareness Program on NBA Accreditation Process	May 17, 2020	SLJB's Engineering College, Nashik
• Online Faculty Development Programme on Data Science using Python	May 24, 2020	Kongu Engineering College
• One Week Online Faculty Development Programme on Moodle: Learning Management System	May 7-12, 2020	MGM's Dr. G. Y. Pathrikar College of Computer Science and Information Technology, Aurangabad jointly with Spoken Tutorial Project, IIT Bombay
• National Level Faculty Development Program	May 1-2, 2020	Lala Rajpat Rai College of Commerce and Economics with North Storm Academy
• Yoga as a Therapeutic intervention for Covid-19	May 26, 2020	Jiwaji University Gwalior
• Online: The New Normal in Education of Webinar Series on Beyond the Boundaries: Reinventing Horizons	May 30, 2020	SKIT Jaipur

	• Fly High: Innovation and Start ups of Webinar Series on Beyond The Boundaries: Reinventing Horizons	May 18, 2020	SKIT Jaipur
	• Future of Higher Education	May 14, 2020	Shree Vaishnav College of Commerce, Indore
	• Cyber Laws and Cyber Safety	May 21, 2020	CYBER3RR
	• IT Security Certification	May 25, 2020	CYBER3RR
	• The COSHH365 Software Certification™ Organized by CFIOS on May 16, 2020.	May 16, 2020	Course Certification
	• Attended the India First Leadership Talk webinar with Prof D. P. Singh, Chairman UGC Broadcasted on May 9, 2020 by MHRD's Innovation Cell	May 9, 2020	MHRD's Innovation Cell.
	• Attended Leadership Talk with Shri R Subrahmanyam, IAS (Secretary Ministry of Social Justice & Empowerment)	June 13, 2020	MHRD's Innovation Cell
	• Role of Yogic Practices and Meditation in Combating COVID-19	May 26, 2020	Amity Institute of Indian System of Medicine, Health & Allied Sciences Domain, Amity University Uttar Pradesh, Noida
	• Cyber Security and Digital Safety during COVID-19 Pandemic	June 2, 2020	Department of Computer Engineering, Poornima College of Engineering
	• Global to Local Level Impacts of Covid-19 Pandemic	May 20, 2020	Suresh Ghyan Vihar University, Jaipur
	• Opportunities in Recent Life Sciences Sector	May 7, 2020	Guru Nanak Institute of Pharmaceutical Science & Technology
	• Deep Learning	June 6, 2020	FET, Jain Deemed to be University, Bangalore
	• Healthcare Advancement in COVID-19	June 8, 2020	Jagannath University Jaipur
	• Research challenges in 5G Networks	June 1, 2020	Poornima College of Engineering
	• Development of Online Teaching and Learning Resources Using ICT	May 14, 2020	Colombo Plan Staff College(CDSC)
	• Attended Leadership talk With Mr Mahesh Babu CEO Mahindra Electric Mobility Ltd. India's First Leadership Talk Series Session with Mr Mahesh Babu CEO Mahindra Electric Mobility Ltd.	23 May, 2020	MHRD's Innovation Cell
Ms. Nidhi Naruka	• Work Shop on Moodle : A Tool for Learning Management System	Dec. 17-19, 2019	Jagannath University Jaipur
	• Faculty Development Programme on Research Methods & Innovative Teaching Methodology	Aug. 6-7, 2019	Jagannath University Jaipur
	• Work Shop on Assessments in Computer Science and Engineering with focus on Examination Reforms Recommended by AICTE	Aug. 09, 2019	Poornima College of Engineering, Jaipur

Mr. Suraj Yadav	• Work Shop on Moodle : A Tool for Learning Management System	Dec. 17-19, 2019	Jagannath University Jaipur
	• Role of Yogic Practices and Meditation in Combating COVID19	May 26, 2020	Amity Institute of Indian System of Medicine, Health & Allied Sciences Domain, Amity University Uttar Pradesh, Noida

• Attended Leadership Talk with Shri R Subrahmanyam, IAS (Secretary Ministry of Social Justice & Empowerment)	June 13, 2020	MHRD's Innovation Cell
• Attended Leadership talk With Mr Mahesh Babu CEO Mahindra Electric Mobility Ltd. India's First Leadership Talk Series Session with Mr Mahesh Babu CEO Mahindra Electric Mobility Ltd.	May 23, 2020	MHRD's Innovation Cell
• Role of Alternative & Complementary Therapies to Combat COVID-19: An Integrative Approach	April 27 to May 3, 2020	Yoga and naturopathy Education Center, MGKVP in association with Faculty of Ayurveda, Institute of Medical Science, BHU Varanasi & National Service Scheme, MGKVP, Varanasi
• Health Challenges Arising in COVID-19 Pandemic and Lockdown Period and Their Yogic Solutions	May 20-21, 2020	Department of yogic science and naturopathy, Mahapurusha Shrimanta Sankaradeva Viswvidhyalay, Guwahati
• COVID-19 Awareness & Prevention	May 16, 2020	Globe institute of healthcare Management, Delhi
• Healing from within	May 18, 2020	Jagadguru Ramanandacharya Sanskrit University, Madau, Jaipur
• Development of Holistic Health Through Yoga and Preksha Meditation	May 21, 2020	Department fo Yoga and science of Living, Jain Vishw Bharti institute, Ladnun, Raj.
• Cyber Security and Digital Safety during COVID19 Pandemic	June 2, 2020	Poornima College of Engineering
• Global to Local Level Impacts of Covid-19 Pandemic	May 20, 2020	Suresh Ghyan Vihar University, Jaipur on May 20, 2020.
• Rejuvenation Through Yoga During COVID	June 1-2, 2020	Department of physical Education,Dayanand College Hisar

Mr. Manish Khandelwal	• Online Teachi made Easy: Key Learning of beginner Level	June 2, 2020	IIC-TIM, TKM institute of Management
	• Case Study: Teaching and writing	May 29,2020	department of management, JIMS Delhi
	• Applied data Science	May 29-31,2020	Bariny Beam Tech. Pvt.Ltd. & Sigma institute of Engineering, Vadodara, Gujrat
	• Participated in the Faculty Awareness Program on NBA Accreditation Process	May 17, 2020	SNJB COLLEGE OF ENGINEERING
	• Research challenges in 5G Networks	June 01, 2020	Department of Computer Engineering, Poornima College of Engineering
	• Development of Online Teaching and Learning Resources Using ICT	May 14, 2020	Colombo Plan Staff College (CDSC)
	• Healthcare Advancement in COVID-19	June 8, 2020	Jagannath University Jaipur
	• Participated in Online National Level Workshop on Deep Learning	June 6, 2020	FET, Jain Deemed to be University, Bangalore
	• Participated in the Session Online: The New Normal in Education of Webinar Series on Beyond the Boundaries: Reinventing Horizons	May 30, 2020	SKIT Jaipur
	• Online Webinar on COVID-19: A Wake-Up Call to Progress Towards Sustainability	May 16,2020	Dr. B. Lal Institute of Biotechnology, Jaipur
	• Participated in the Session Fly High: Innovation and Start up of Webinar Series on Beyond The Boundaries: Reinventing Horizons	May 18, 2020	SKIT Jaipur
	• National Webinar on Future Of Higher Education	May 14,2020	Shree Vaishnav College of Commerce, Indore (M.P)
	• Effect of cloud and NoSQL over Database Management System	June 6, 2020	Department of Computer Sc. & Engg. in Association with ACM-W student chapter, Poornima College of Engineering
	• NBA accreditation process	May 17, 2020	College of Engineering Chandwada Nashik
	• Beyond the Boundaries: Reinventing Horizons Industry 4.0	May 17, 2020	Swami Keshwanand Institute of Technology & Engineering Jaipur
	• HEALTHCARE ADVANCEMENT IN COVID 19	June 8, 2020	Jagannath University Jaipur
	• Beyond The Boundaries:Reinventing Horizons Industry 4.0 in the session of Fly High: Innovations & Start Ups	May 18, 2020	Swami Keshwanand Institute of Technology & Engineering Jaipur
	• 5G technology & its Applications	May 28, 2020	Department of Electronics Communications Engineering, Sri Vasavi Institute of Engineering & Technology Nandamuru
• Gender Bias and Stereotyping, Gender Equality and Women's Right	June 23, 2020	Jagannath Gupta Institute of Technology, Jaipur	

- IOT Based Solution to fight COVID 19 Presented by Mr. Ajay godara/ Enovate skill (NITTTR) May 22, 2020 Chennai institute of technology
- Online Teaching Made Easy: Key Learning for Beginner Level June 2, 2020 Institutions innovation council (IIC-TIM) TKM institute
- Innovating Education & Educating for Innovation May 30, 2020 P.U. Educational Services

---

**Seminars / Conference / Workshop organized by the Department**

---

Topic	Date	Main Speakers
Design Thinking and Innovation Development	21-Dec-19	Zeetron Networks Pvt. Ltd.
Designing The Architecture Of Cloud Computing	31-Oct-19	Dr. C. K. Jha
Applications of Cloud Computing	21-Jul-19	Dr. C. K. Jha

---

**F.D.P. :**

- Mr. Manish Khandelwal participated in Three days online Faculty Development programme June 10-12, 2020 on "Develops and Cyber security" organized by Department of Computer Science and Engineering, St.Joseph's College of Engineering from June 10-12, 2020.The session was handled by Mr. Sreeharinath Rangarajan who is a Technology Architect, Infosys, Canada.
- Mr. Manish Khandelwal Participated in two days national level online faculty development programme on "Blockchain Technology" held on May 30-31, 2020 organized by Department of computer applications, MITS-Madanapalle.
- Mr. Vijay Shrimal Participated in the Faculty Awareness Program on "NBA Accreditation Process" Organized by Nashik, Maharashtra SNJB College Of Engineering on May 17, 2020.
- Mr. Gajendra. Shrimal Attended Faculty Awareness Program on "NBA Accreditation Process" organised by SLJB's Engineering College, Nashik on May 17, 2020.
- Mr. Gajendra. Shrimal Attended Five Days Online Faculty Development Programme on "Data Science using Python" Organised by "Department of Computer Science and Engineering, Kongu Engineering College" during May 20-24, 2020.
- Mr. Gajendra. Shrimal Attended One Week Online Faculty Development Programme on "Moodle: Learning Management System" Organised by "MGM's Dr. G. Y. Pathrikar College of Computer Science and Information Technology, Aurangabad jointly with Spoken Tutorial Project, IIT Bombay." during May 7-12, 2020.
- Mr. Gajendra. Shrimal Attended Three Day National Level Faculty Development Program organized Lala Rajpat Rai College of Commerce and Economics with North Storm Academy during April 30 to May 1-2, 2020.
- Mr. Gajendra. Shrimal Certificate for Completion of "Moodle Test for Teachers Training" organized by "MGM's Dr. G. Y. Pathrikar College of Computer Science and Information Technology, Aurangabad jointly with Spoke Tutorial Project, IIT Bombay" on May 11, 2020.
- Mr. Gajendra. Shrimal Attended "Two Days Online Faculty Development Program on Migration of it Infra using Cloud" organized by Department of Applied Science under IQAC, PIET, Jaipur on May 20-21, 2020.
- Mr. Gajendra. Shrimal Attended three Days FDP on "Devops and Cyber Security" "Department of Computer Science and Engineering St.Joseph's College of Engineering, Chennai" during June 10-12, 2020.

Essay writing Competition September 12, 2019

National Conference on Renewable Energy & Digitalization Resources for the Development of Rural Areas” (NCRDR 2020), February 28-29, 2020 held at JNIT, Jaipur

**Three days workshop on “A Tool (Moodle) for Learning Management System”, December 17-19, 2019 held at Jagannath University**

**One day workshop on Assessments in Computer Science and Engineering with focus on Examination Reforms Recommended by AICTE at Poornima Engineering College on August 09, 2019**

<b>Faculty</b>	:	<b>Engineering &amp; Technology</b>

	• Green Energy Technologies for Sustainable Development	Engineering College Bikaner and NIT Kurukshetra ( Mentor Institute/ TEQIP-III).
	• Gender Bias & Stereotyping, Gender Quality & Women’s Right.	TEQIP III RTU (ATU) being conducted by JNIT, Feb. 28-29, 2020

---

#### Seminars / Conference / Workshop organized by the Department

Topic	Date	Main Speakers
Durability of Concrete	June 16, 2020	Er. Aswin Naik
Precast Concrete Construction	Feb. 26, 2020	Dr. Anurag Mishra, Ceo S&G Pvt

#### Special Achievements by Students

- Our Student Indranil roy’s research “Relaxation & Reduction In Stress Levels Originating From Various Environmental Factors By An Antique Buddhist Therapy: A Case Study” was telecast on Rajasthan patrika television news on June 2, 2020. Online link for this telecast is <https://youtu.be/oysXqHEfpdo>

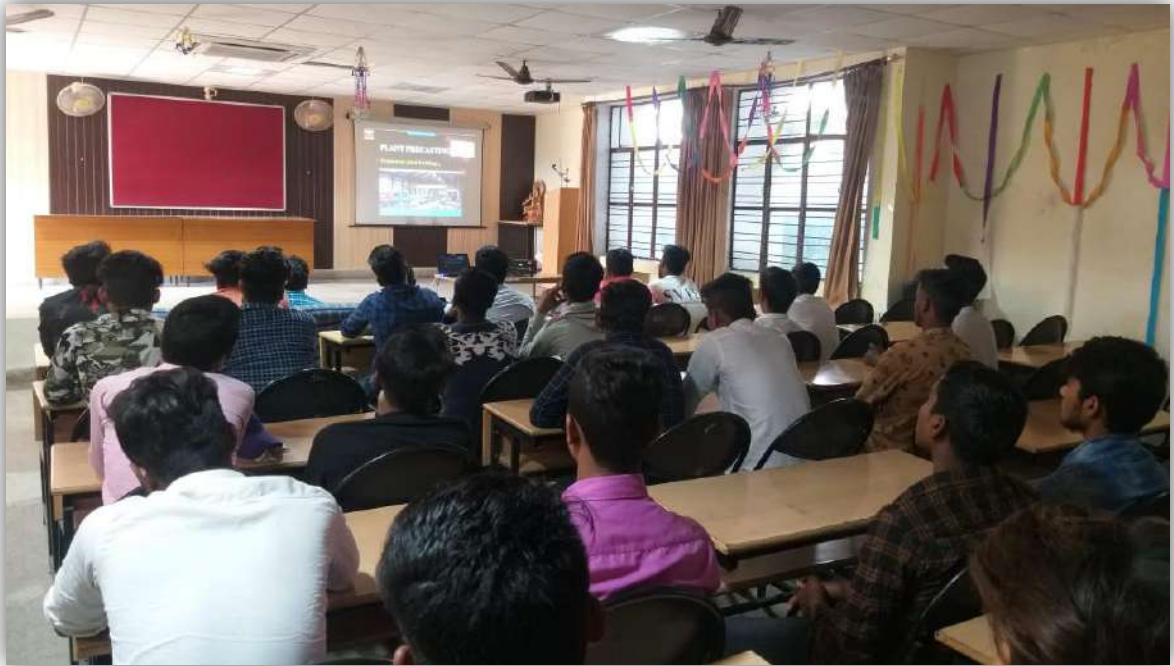

**Three days workshop on “A Tool (Moodle) for Learning Management System”, December 17-19, 2019 held at Jagannath University**

**Webinar Conducted on June 17, 2020 of topic World Tallest Statue- Statue of Unity**

**Webinar Conducted on June 17, 2020 of topic World Tallest Statue- Statue of Unity**

**Engineers Day celebrated on September 12, 2019**

**Induction Programme September 3 2019**

**Fit India Movement August 24 2019**

**Fit India Movement August 24 2019**

**Webinar Conducted on June 17, 2020 of topic World Tallest Statue- Statue of Unity**

**Industrial Visit to Wonder Cement on March 18, 2019**

**(C) List of the FDP**

<b>Name of the Faculty</b>	<b>Title of the FDP</b>	<b>Organized by</b>	<b>Date</b>
Dr. Dalpat Lal	• Online college management and online content creation tools	Lala Lajpat Rai College of Commerce and Economics and University of Mumbai	30/04/2020, 1, 2 /06/2020
	• Recent Trends in Research and Applied statistics	Sunrise university, Alwar	13/06/2020-19/06/2020
Prof. SL Sharma	• Social media marketing	E learning college	18.5.20
	• Leadership	MHRD	26.5.20
	• Covid -19	WHO	26.5.20
	• Leadership	MHRD	30.5.20
Mr. Kamal Kant	Recent Trends in Research and Applied Statistics	Sunrise University, Alwar	13th June to 19th June 2020
Mr. Praveen Bhardwaj	• NBA Accreditation Process	SNJB's College of Engineering, Maharashtra	17/05/2020
	• Firing the Next Decade of Growth: Innovation during college Days.	SVCE Bengaluru	19/05/2020
	• Modern technologies to enhance the productivity of crops including good laboratory practices (ASTP004)	Institute of Agriculture Sciences, SAGE UNIVERSITY, INDORE	20/05/2020 to 23/02/2020
Dr. Nisha Meena	• Preparing and management of result oriented projects in Agriculture, horticulture, animal husbandry and allied sectors	National Agriculture development cooperative Ltd. (NADCL) Baramulla (J&k), Agro-Environment Developmental Society (AEDS) Rampur, U.P.	May 26- 15 <sup>TH</sup> June 2020
	• Recent trends in research and applied statics	Sunrise University, Alwar	June 13- 19, 2020
Mr. Devprakash Gocher	• Recent Trend in Research and Applied Statistics	SunRise University, Alwar	13-06-2020-19-06-2020
	• NBA Accreditation process	SNJB college of engineering	17-05-2020
Prof. G.R. Chaudhary	Recent Trends In Research and Applied Statistics	SunRise University, Alwar	13 June 2020 to 19 June 2020
Mr. Ajay Kumar	Recent Trends in Research and Applied Statistics	Sunrise University, Alwar	13th june to 19th June 2020
Mrs. Sarita Meena	Recent Trends in Research and Applied Statistics	Sunrise University, Alwar	13th june to 19th June 2020
Renuka	• Noval approaches of blockchain tech. and its application	FOECS, Morabad, UP	22-28 may, 20
	• Recent trends in research and applied statics	Sunrise University, Alwar	13-19 June, 20

**(D) List of the e - Conference/ Symposium**

Name of the Faculty	Title of the e conference/ symposium	Organized by	Date
Dr. Dalpat Lal	Diversification of Indian agriculture ancient to modern	Suresh Gyan Vihar, University, Jaipur	17/06/2020-18/06/2020
Prof SL Sharma	<ul style="list-style-type: none"><li>International conference on creating sports culture in Universities</li><li>Post covid Agriculture online conclave</li></ul>	SGT, University Vivekanand Global University, Jaipur	9 to 11 May 2020 21 to 23 <sup>rd</sup> May, 2020
Kamal Kant	<ul style="list-style-type: none"><li>International e-seminar on Biodiversity and Human Welfare</li><li>International e-symposium on Diversification of Indian Agriculture Ancient to Modern</li></ul>	Shobhit Institute of Engineering & Technology, Meerut Suresh Gyan Vihar University, Jaipur	5th and 6th June 2020 17th and 18th June 2020
Praveen Bhrdwaj	<ul style="list-style-type: none"><li>Food Adulteration</li><li>Insights into Patent Filing Procedure for Researchers</li><li>Biotechnological Potential of mushroom: An Emerging Approach to Fight against COVID-19</li><li>Role Of Plants as Medicine and Immunity Booster with Special Reference to COVID-19 pandemic</li></ul>	Comp-Feeders Aisect Collage of Professional Studies, Indore Career Point University, Kota Shri Guru Tegh Bahadur Khalsa college, Jabalpur Shri Guru Tegh Bahadur Khalsa college, Jabalpur	16/05/2020 30/05/2020 23/05/2020 to 24/05/2020 26/05/2020 to 27/05/2020
Mr. Bhupendr Singh Tyagi	<ul style="list-style-type: none"><li>International e-seminar on Biodiversity and Human Welfare</li><li>International e-symposium on Diversification of Indian Agriculture Ancient to Modern</li></ul>	Shobhit Institute of Engineerin & Technology, Meerut Suresh Gyan Vihar University, Jaipur	5th and 6th June 2020 17th and 18th June 2020
Dr. Nisha Meena	Biodiversity and human welfare	Institute of Engineering and Technology (Deemed to be University) Meerut	June 5- 6 2020
Ajay Kumar	<ul style="list-style-type: none"><li>International e-seminar on Biodiversity and Human Welfare</li><li>International e-symposium on Diversification of Indian Agriculture Ancient to Modern</li></ul>	Shobhit Institute of Engineerin & Technology, Meerut Suresh Gyan Vihar University, Jaipur	5th and 6th June 2020 17th and 18th June 2020

Sanjiv Kumar	<ul style="list-style-type: none"> <li>International conference on Sports Culture in Universities</li> </ul>	Faculty of Physiotherapy, SGT university, Gurugram, India	09-May- 2020 to 11 – May -2020
Renuka	<ul style="list-style-type: none"> <li>International e-seminar on Biodiversity and human welfare</li> <li>International Conference on Creating Sports Culture in Universities</li> </ul>	Modipuram, Meerut Sri Guru Govind Singh Tricentenary University, Gurugram, Delhi,-NCR	5 june,20 9-11 May, 20
Prof. O.P. Sharma	International E- Symposium on diversification of Indian Agriculture: Ancient to Modern	Suresh Gyan Vihar, University	17- 18 June 2020

#### Events organized by Faculty of Agriculture

#### Visit to Mushroom Production Unit, RARI, Durgapura

Visit to Advance Micro Fertilizers Private Limited

Visit to All India Coordinated Project on Integrated Farming System, RARI, Durgapura, Jaipur

“Guar Gum as a Start Up Option lecture delivered by Dr. D Kumar (ICAR) in Arid Legumes

Recent advance trends in pearl millet production lecture delivered by Dr. Rakesh Kumar, ICARISAT Hyderabad

Enhancing writing skills for university lectures delivered by Prof OM Thanvi Student's activity

- Five Days FDP on Enhancing teacher effectiveness for creating a progressive society, Annammal college of education for June 29 to 3 July, 2020
- Five Days FDP on Innovative teaching learning Methodology, TLC (PMMMMNMTT) Department of higher education MHRD, June 6 to July 10, 2020
- One Days FDP on Fundamentals of outcomes based education, Inpods Ed TECK July 10, 2020
- One Days FDP on Fundamentals of outcomes based education, Inpods Ed TECK July 10, 2020
- Six Days FDP on Short training program, Computer Network, ARASU engineering college Kumbakonam, July 6-11, 2020
- Three Days online induction development program on soft skills Enhancement for education and career success organized by St. Francis College, Nagpur from July 6-8, 2020.

**Mrs. Deepika Sharma**

- FDP on Building a Predictive Understanding of Micro Bial Communities organised by PG and Research Deptt. of Zoology Nirmala College of Women’s Tamil Nadu on 23-24 May 2020.
- FDP on ICT Enabled Teaching And Learning organised Jain Vishva Bharti (Deemed University) Ladnanu on June 3-7, 2020.
- FDP on Co-Po Alignment Computation and Analysis organised by Jagannath University Jaipur, July 10-11, 2020.

**Mr. Mukesh Kumar Sharma**

- Online FDP - ICT Enabled Teaching and Learning, Jain Vishva Bharati Institute, (Deemed- to – be University) Ladnun, Rajasthan, June 3-7, 2020
- Online FDP - Recent Trends in Research and Applied Statistics, Sun Rise University, Alwar, June 13-19, 2020
- Online FDP, The Role of Advanced Materials & Nanotechnology in Present Scenario Vemana Institute of Technology, Koramangala, Bengaluru, June 22-26, 2020

**Co-curricular / other Activities organized by Department**

**Organized International Women’s Day** - Around the world and through the decades, many people shared in the global struggle for gender equality. Regardless of our age, country, background or gender, the fight for equal

rights has collectively defined our lives and we must take action together to achieve it. This International Women's Day, UN Women's multi-generational campaign, Generation Equality, brings together past and present advocates to demand gender equality in this generation.

**International Women's Day (IWD)** is celebrated on 8<sup>th</sup> March every year. It is a focal point in the movement for women's rights. International Women's Day is a time to reflect on progress made, to call for change and to celebrate acts of courage and determination by ordinary women, who have played an extraordinary role in the history of their countries and communities. The world has made unprecedented advances, but no country has achieved gender equality. Fifty years ago, we landed on the moon; in the last decade, we discovered new human ancestors and photographed a black hole for the first time.

In the meantime, legal restrictions have kept 2.7 billion women from accessing the same choice of jobs as men. Less than 25 per cent of parliamentarians were women, as of 2019. One in three women experience gender-based violence, still. The theme of International Women's Day 2020 is, Generation Equality: Realizing Women's Rights. So, for the celebration of the International Women's Day 2020 Jagannath University organized various activities for students, faculties and other female staff members in the chaksu campus during the week from 1th to 7th March, 2020 by organizing various following activities:

A **debate competition** has been organized for students on the theme "**Women empowerment, Women health and Education**" on 5th March, 2020 at Seminar Hall (1.00P.M-to 2.30 P.M) 12 students participated in this competition. At the end of the event winner and runners awarded by mementoes. All Participants got certificate for the participation.

Results of debate competition:

1. Winner: Nilesh Dhakar (B.Ed III Sem.)
2. Second Runner: Lekha Prajapati(B.Ed III Sem.)
3. Third Runner: Aditi Kumari (B.Tech IV Sem)

After the debate competition a **Walkathon** has been done by female staff members and girl students in all the campus. All female participated in walkathon enthusiastically. The main aim of this walkathon to describe Gender inequality is a long-term problem in our society and female are discriminated in many ways in the social context of India, although legally women have equal right. Thus, there is a great need to sensitize the society on gender issues so that there would be no discrimination on the basis of gender. Women empowerment through gender sensitization is one of the key criteria to unlock the potential of women. Builds on the experiences we faced and explains the importance of gender sensitization in educational institutions to deal with various genders related issues.

After the walkathon a **street play** performed by a group of students **on the theme of "women health, safety and security"**, 2020 is set to be a year of milestones for women, gender equity, and health. In the series on health, equity, and women's cancers pointed out, action is needed against social, cultural, economic, and geographical factors that often prevent women with early disease presenting to care. Furthermore, investment in cancer services for women should be accompanied by policies that promote gender equality and risk protection against the costs of care.

In the series of celebration of Women's day a **Guest Lecture delivered by Prof.Lalita Vatta** (In charge of Women Cell, University of Rajasthan) on 6th March,2020 in Seminar Hall at 12.30P.M.

Prof.Lilita discuss the various issues and prospective about women's healath,safety and security.Pro.P.N.Kalla Dean Faculty of Science welcome of guest by bunch of flowers and at the end of the lecture Dr.Ranjeeta Soni,Dean Student Welfare gave the vote of thanks.

**Department** : **Landscape & Horticulture**  
**Officer Incharge** : **Mr. Ghanshaym Vyas**

The Department of Landscape & Horticulture has divided the university into two phases. The first phase consists of Area around Administrative Building, Canteen, Football Ground, Boys Hostel 1-2, Girls hostel -1 and four Academic Blocks A,B,C,D which includes Department of Law, Department of Management & Business Studies and President residence including the guest house and faculty residence-1.

The second phase includes the spacious Auditorium, Department of Engineering & Technology (E,F) Block, Boys Hostel – 3, University Central Library and Staff Residence -2 with a huge Cricket Stadium. Well-maintained lawns and hedges and flowerbeds in and around these buildings and hostels present an enviable sight for any visitor. Its landscape is appreciated by all as one of the best in Universities of the region. Growing the new ornamental plants of permanent and seasonal nature along with plantation of fruit trees is continuously carried out as per need and new design.

The main priority of the Horticultural Department is the beautification of the Campus. Cleaning the Campus of the unwanted vegetation i.e. weeds, developing new landscape is a regular feature. As many as about 10000 trees/plants of different varieties have been planted/replaced in the Campus. It is also added here that a special program for Greenery and its importance to our student and learners running by Eco-club of university. The department also manages a small nursery to cater the needs of Plants, Trees and Seasonal flower on the campus. In the field of gardening and landscaping a vocational skill program is also running for providing vocational skills to unskilled learners.

## Placement

The transition from university to professional life is a milestone! Student's imminent graduation and the search for first "real" job mark the beginning of a new and a significant stage in his life. The goal of job search should be to find a situation that supports onward progress in life, and where student feel appreciated and comfortable. In short, a job that student will find satisfying in all respects.

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the University by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and students. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visited the institute to conduct interviews.

Placement Cell has been successful in maintaining high placement statistics over the years and the fact that the students bear the recession blues with record breaking placements itself is a testimony to our quality. The ingenious alumnae of University have set new standards in the corporate world through their estimable contributions.

The Placement Cell organizes career guidance programs for all the students starting from third year. The cell in coordination with Deans arranges training programs like Mock Interviews, Group Discussions and Communication Skills Workshop etc. It also invites HR Managers and technocrats from different industries to conduct training programs for final year students.

Placement of the students being done covering the maximum branches of the University courses operating. University is justifiably proving to provide the Placement assistance to the students of all Branches. The strong academic and Industrial linkages of the University in the corporate sector will further enhance the placements. University Alumni association has contributed to the placements of the students and in times to come it will become more productive and strong.

Many recruiters has visited the campus for recruitment of our students from 2019-20 batches. A few of them were as follows:

Holistic education approach commensurate with social, cultural, economic and environmental realities.

### **Global Competencies**

Preparing students to achieve core competencies to face global challenges successfully.

### **Technology Applications**

Effective use of ICT and digital learning resources optimally for achieving excellence.

### **Industry Integration**

Bridging gaps between theory and practice with a focus on skill development and industry integration.

## **Good Governance**

Following good governance principles being accountable, transparent, responsive, effective and efficient, equitable and inclusive, rule of law, participating and consensus-oriented in the process of making and implementation of decisions.

## **Intellectual Capital Growth**

Contributing to human resource development and capacity building of individuals to cater to the needs of the economy, society and country leading to development of the nation.

## **Culture of Excellence**

Promoting culture of excellence among students and faculty in teaching-learning process, research and extension services as drive to develop centres of excellence.

## **OBJECTIVES**

To realize its vision and mission, the University has set the following objectives:

- I. To introduce innovative, job-oriented and professional programs in emerging areas of science and technology, allied health sciences and management.
- II. To make skill development an integral part of delivery of education for enhancing employability and entrepreneurship among graduates.
- III. To encourage the use of digital learning resources along with traditional methods for keeping pace with the changing technological environment.
- IV. To promote research, innovations, extension services, community projects, sports and cultural activities for holistic education.
- V. To strengthen collaborations with industrial and professional organizations for practical exposure and better placements.
- VI. To create state-of-the-art infrastructural resources and facilities for quality education.
- VII. To establish student centric environment on the campus with gender equity.
- VIII. To motivate and orient faculty to strive for and to sustain advanced levels of teaching and research so that the University emerges as an excellent centre of learning.
- IX. To implement outcome based education, quality mandate and holistic concerns towards implementation of New Education Policy (NEP).
- X. To establish transparency, accountability, responsiveness, efficiency and effectiveness, etc. in governance practices at all levels.
- XI. To achieve self-sustainability through quantitative and qualitative expansions.

## **QUALITY POLICY**

Jagan Nath University, Jaipur is committed to impart quality education and strives to be a globally recognized centre of excellence in higher education. It aspires to achieve it by:

1. Ensuring topical and relevant curriculum;
2. Adept delivery mechanism;
3. Relevant research and consultancy;
4. State-of-the-art infrastructural and learning resources
5. Active involvement of stakeholders and industry experts in decision making;
6. Creation of congenial and conducive student centric work environment; and
7. An effective governance system.

## **PREFACE**

I have the honour to present the 12<sup>th</sup> Annual Report of Jagan Nath University, Jaipur for the academic year 2019-20 to the Board of Management of the University. This Report is being submitted under the provisions of Section 39 of the Jagan Nath University, Jaipur, Act, 2008.

**Registrar**

**Professor (Dr.) Vaishali Sharma**  
**President**

### **A Word from the President**

It gives me immense pleasure to introduce the Annual Report 2019-20 of the Jagannath University, Jaipur, illustrating the University's commitment to advancement with academic excellence in education and research. The academic year 2019-20 has been full of noteworthy achievements in teaching-learning & research at Jagannath University. Quality education continues to be our main focus to develop intellectual abilities, social, moral and ethical values. The report largely depicts the profiles and activities of the departments of the University and the significant achievements of the members of the faculty and students.

The academic session 2019-20 began with Workshop on National Education Policy 2019, followed by a Faculty Development Program on "Research Methods and Innovative Teaching Methodology". One of the founding principles of University includes to develop it as a sustainable green campus. This year started with Tree Plantation activity. A total of 100 trees were planted by faculty and students. Essay writing, Poster Making, Independence Day celebrations were some of the other student activities that were organized to drive students towards the new academic session. It was followed by an orientation programme, in which Shri Vaibhav Galriya, Principal Secretary, Department of Higher & Technical Education, Govt. of Rajasthan addressed students towards better career and studies. The holistic development of students being focal point at University, the departments organized various Co-curricular and Extra-curricular activities. A legion of special lectures were organised by different departments and academic activities went beyond the classroom to include extension lectures, moot court competitions, field training, industrial visits, etc. Various social activities were also carried out in the five villages adopted by the University. Organising Blood Donation Camp, General Health Check-up Camp in association with EHCC Hospital are some of the regular features at University. SPANDAN'20, MAD WEEK, XPRESSION have witnessed great participation and greater enthusiasm of students.

The faculty members have been taking initiatives for quality research by publishing books and research papers in the leading National and International Journals having high impact factor, research projects and providing consultancy.

Distinguished visitors during 2019-20 session included Dr. Philip G. Laird, Vice President, Trinity Western University, Canada. Mr. Kanu Khan Chairman, Rajasthan Waqf Board; Mrs. Shuchi Sharma, Secretary Department of Higher & Technical Education Government of Rajasthan, Jaipur; Prof. Vishnu Sharma, Vice Chancellor, RAJUVAS, Bikaner; Dr Richard O`Quinn, Senior Physiotherapist, USA.

This session saw the most crucial times in terms of the COVID pandemic. However, every crisis brings inherent opportunity for growth and development. Jagannath University also keeping the concern of students foremost has quickly adapted to online teaching and evaluation process. Apart from that a series of webinar was organized specifically to take care of mental well-being of all the stakeholders. Online International Conferences were organized by Faculty of Science and Faculty of Management. Another notable event was E – Alumni Meet which was conducted for entire University.

There are many teaching and non-teaching staff members involved in the compilation of this Annual Report. I would like to record my appreciation and acknowledgment to all of them.
