D.O.No. F. 1-1/2014(Secy)

12<sup>th</sup> November, 2014

Dear Sir/Madam,

18 NOV 2014

The UGC has embarked on numerous measures to enhance efficiency and excellence in the higher education system in the country. The reforms undertaken in this regard have led to noticeable improvement in the standards of education. However, because of the diversity in the evaluation system followed by different universities in India, students have suffered acceptance of their credentials, at times, across the university system, as well as the employment agencies.

In order to mitigate this procedure, it has been thought that the Choice-Based Credit System (CBCS) proposed by the UGC should be adopted by all the Universities. This would ensure seamless mobility of students across the higher education institutions in the country as well as abroad. The credits earned by the student can be transferred and would be of great value to the students in the event of their seeking migration from one institution to the other.

Even in the universities which have already adopted the CBCS it has come to our notice that there is tremendous diversity in the adoption of the system that inter-university migration of students amongst such universities has also posed problems. Under the situation mentioned, the UGC has formulated Guidelines for adoption of uniform Choice-Based Credit System across all the universities. The Guidelines have been uploaded on the website of the UGC ([www.ugc.ac.in](http://www.ugc.ac.in)).

You are requested that the Guidelines may kindly be accessed from the UGC website and the system introduced in your esteemed university from the academic year 2015-16. All the actions taken in this regard may kindly be communicated to the Secretary, UGC (email: [ugc.action@gmail.com](mailto:ugc.action@gmail.com)).

With kind regards,

Yours sincerely,

  
(Jaspal S. Sandhu)

Ref.. Your D.O No. F.1-1/2014(Secy) dated 18<sup>th</sup> November, 2014

Respected Sir,

With reference to your above cited letter, we thank you for your initiative to implement this Choice-Based Credit System(CBCS) in higher education section all over the country. As mentioned in your said letter, we have already downloaded the guidelines for CBCS. We would like to inform you that we are in a process of implementing the same from the next Academic Year 2015-16. However we seek one clarification mentioned in point no. 6.1.(vi), of CBCS guidelines. Now the minimum eligibility criteria for an Asst. Professor is 50% marks for reserved category and 55% for general category where as, as per the CBCS system the minimum criteria would be 'B' (60%-69% as per 10 point grading system) for reserved category and grade 'B+' (70%-79% as per 10 point grading system) for general category which contradicts with the present minimum requirement. Therefore we would request you to kindly clarify this point.

With Warm Regards,

Sincerely Your's,

  
(Tanmay Pattanayak)
