Claim	The University has developed and implemented course curriculum of all the programs with reference to local, national, regional and global developmental needs and the same are reflected in PEO's, PO's, PSO's and CO's. A detailed list of programs offered during the last five years along with copy of information brochures and all other relevant documents supporting the claim have been attached. The academic system of the University is based on CBCS which was implemented in 2015 as well as outcome based education system which was adopted in 2019. All the program structures have been developed accordingly and are regularly updated. Keeping in view the dynamic process adopted by the University to ensure relevance of the curricula to the needs of the present situation, the University claims full credit on this metric.
