<b>Claim</b>	The University has been updating the syllabi of the various programs by adding new courses as per the requirement of the market and recommendation of the regulatory bodies. Quite a large number of new courses have been added in various programs during last five years. The maximum numbers of courses were added when CBCS was implemented in 2015-16. Similarly in 2017-18 and 2018-19 new programs were added and accordingly the number of new courses added was quite high. The data as per the template and relevant documents supporting the claim have been attached. Keeping in view the significantly large number of new courses introduced during the last 5 years, the University claims full score on this metric.
