Claim	<p>University has adopted a systematic process as per the admission guidelines of the University, requirements of respective councils and recommendations of the statutory bodies for the particular session. The admission committee meetings are held regularly. While offering admissions the reservation policy of the state is also taken into account. Proper records of the application received both online and offline and actual admission given are maintained. The data with regard to number of seats available, total number of eligible application received and total number of seats filled has been given as per the data template. The admission guidelines, information brochure, copy of admission form, sample Question paper for entrance test, copy of advertisement for admission and approvals of various regulatory and statutory bodies are attached. The University follows a very fair and transparent system for admissions. All the data has been uploaded on the website. In view of the above, the University claims full credit under metric 2.1.1</p>
