# Note for Chair

16 July, 2019

The Faculty of Law, Jagannath University proposes to establish a Chair in the name of Dr. B.R. Ambedkar in department.

Dr. B. R. Ambedkar has widely contributed to various reforms in the country after Independence. In framing the constitution of independent India, he played a leading role and was appointed as the Chairman of the constitution drafting committee in 1947. The text prepared by Ambedkar after studying the constitution of 60 other countries, provided constitutional guarantees and protections to individual citizens for a wide range of civil liberties, including freedom of religion, the abolition of untouchability and the outlawing of all forms of discrimination. He formed many organizations for the empowerment of the Dalit, along with that Dr. Ambedkar also put emphasis on Education and gave the slogan: "Educate-Agitate-Organize". Dr. Ambedkar also advocated equality of opportunity. He opted for peaceful and constitutional methods for the sake of resolution of the social problems.

Therefore, it is unanimously proposed to establish Dr. B. R. Ambedkar Chair in the department at the earliest possible. A draft of regulations is enclosed for approval of competent body.

**Report on Legal Literacy camp**  
**Organized by**  
**Department of Law, Jagan Nath University, Jaipur**

A "Legal Literacy Camp" was organized on 7<sup>th</sup> September 2019 by the Department of Law, Jagan Nath University, Jaipur sponsored by Dr. B. R. Ambedkar Chair. Its main objective was to spread awareness about Legal Rights of layman. Jagan Nath University, Faculty of Law facilitated discussions and recorded the problems of villagers, relating to ineffective delivery of justice to the people of remote areas. Faculties of law and Students of Legal aid Committee spread the awareness and their Right of Free Legal Aid provided by the Legal Service Authorities of District and Session Court . The villagers sought information and looked for the ways to get solutions of their problems without much hindrance and free of Cost.

The camp provided information on Right to Education, National Food Security Act, Right to Information, Mahatma Gandhi National Rural Employment Guarantee Act (MNREGA), Integrated Child Development Services, Mid Day Meal, pension schemes (Old age and widow), and Panchayati Raj Institutions.

In addition, it facilitated the process of seeking legal assistance by writing applications and complaints on behalf of villagers to make public services accessible to all. The camp further provided an opportunity for villagers to interact with the Faculties and Students of Legal Aid Committee of the Jagannath University. *Sarpanch* , village council head and two nearby villages addressed the queries of villagers and verified their pension applications on the spot, the legal literacy camp at [the adopted Village by the University] Rampura and Thikaria Students and Faculties did a commendable job in inching closer to empowering local communities in These villages.

The camp provided adequate knowledge and information about the rights and entitlements under the various centrally sponsored government programs. The efforts gained prominence under the light that "About 70% of the people in India live in rural areas and most of them are illiterate. A

substantial number of people are not aware of their rights conferred by law... It is this absence of legal awareness which is responsible for deception, exploitation, and deprivation of rights and benefits, making people suffer in Villages. The miserable condition in which the people find themselves can be alleviated to some extent by creating legal awareness among people.

“Lack of awareness on legal and constitutional rights and entitlements, as well as the existing accountability mechanisms is a major bottleneck responsible for the cobweb of poverty in which the rural citizens are wedged. The poor conditions to which they are subjected stem from ineffective delivery of services as well as the existing layers of corruption that affect of rural India. Under this, we reach out to citizen groups, who are in dire need of legal awareness to know their rights and entitlements, and to solve local problems.
