### About the Speaker

**Dr. Vishnu Sharma**

Dr. Vishnu Sharma is a Professor and Principal in Yagyavalkya Institute of Technology since 2019. He worked as an Associate Professor in Civil Engineering Department at YIT, Jaipur. He worked as an Associate professor in Civil Engineering Department at Kautilya Institute of Technology & Engg., Jaipur. He also worked as an HOD and Associate professor in Civil Engineering Department at Yagyavalkya Institute of Technology, Jaipur from 2006 to 2016. He holds a Diploma in Civil Engg. From Govt. Polytechnic College Gwalior (MP Board of Technical Education Bhopal), Dip-in Rail Transport and Management from Institute of Rail Transport, New Delhi, AMIE (Civil) from Institution of Engineers (India), a ME Hons (Civil Engg) in 2006 from MITS Gwalior and a Ph.D. in Structural Engg. From RTU Kota. He has presented many research papers in different conferences and organized various workshops.

**A Workshop Report on**

**'Cement and Its Various Properties'**

**(14<sup>th</sup> September 2016)**

Department of Civil Engineering organized a one day workshop on Cement and its various properties for students held on 14<sup>th</sup> September 2016.

**Workshop Timing:** 10 AM to 2 PM

**Purpose of the workshop**

Purpose of the interactive workshop is to nurture the knowledge of students of civil Engineering to make them understand both theoretical and application part of Cement and concrete. Along with this the basic properties of cement with their proper application filed also explained.

**Participants of the workshop**

78 participants have attended the workshop out of 128 registrations and get benefitted by understanding the various properties of cement.

**Key note Speaker:** Dr. Vishnu Sharma, Principal and Professor, YIT, Jaipur

**Workshop Contents**

**Workshop on Cement and its various Properties**

Concrete is the most commonly use building material other than water in the world. From a mere mixture of cement, sand, Aggregates and water this product has carved a niche in to a technically and aesthetically important product in the building material industry. Ever demanding infrastructure industry offers new challenges in to its important constituent – concrete. In developed countries concrete infrastructure constitute about 60% of the built environment. In India we are yet to reach a respectful figure, but efforts are on to create a sustainable infrastructure environment. Understanding concrete is a science and an art. Concrete technology is an art as it allows us to use widely available materials like cement, aggregates and water to

create distinctive products with varied performances. The following topics were covered in the workshop:

- Types of cement
- Proportioning of cement for concrete
- Application of various types of cement
- Manufacturing of cement
- Tests for cement
- Water cement ratio role in concrete.

A Report on

A Workshop on 'Entrepreneurship Development'

(10<sup>th</sup> November 2016)

A Workshop was organized by Faculty of Engineering & Technology on *Entrepreneurship Development* to promote the startup and Innovation culture in the university on 10<sup>th</sup> November 2016.

#### **Purpose of the workshop**

The workshop is designed to train students from streams like Science, Engineering and Technology, Management streams etc. The workshop would provide inputs on process and practice of entrepreneurship development, communication and inter-personal skills, opportunity identification, business models, achievement motivation training, and inputs on resource and knowledge industries.

#### **Participants of the workshop**

264 registrations received including faculty members and students of all departments and streams from different colleges/universities and 117 have attended the session and got benefited from the seminar.

Certified True Copy  
R. Registrar  
Jagan Nath University, Jaipur

**Keynote Speaker:** Dr. Sanjay Gaur, Professor MNIT Jaipur

#### **Workshop Contents**

The workshop is useful to develop entrepreneurship skills among individuals. The important topics covered during the session are:

- Building an Eco-system for Start-ups
- Opportunity Identification

HEAD  
DEPARTMENT OF ENGINEERING & TECHNOLOGY  
JAGANNATH UNIVERSITY, JAIPUR

- Entrepreneurship fundamentals
- Business Models
- Understanding Customers/Market Segment
- Startup: Ideation, Building & Growth Strategies

**FACULTY OF MANAGEMENT**

**Workshop**

**Entrepreneurship Workshop**

**Resource Persons : Directors , MSME Jaipur**

**10<sup>th</sup> November 2016**

No one can dispense the need of quality and practical education to MBA students as they are going to be the managers tomorrow, only book based teachings may not fulfill the knowledge requirement that these aspiring managers need to have. Students need to have practical exposure of the situations and should be provided an opportunity to solve real life business problems. This is what we meant by establishing entrepreneurship cell for our students. The purpose of E-Cell, Faculty of Management, is to enable young India to dream, to sow the seeds of entrepreneurship within the youth of the country, and to help use education to generate employment while following best business practices, and setting examples. Where corporate/ government/academic/entrepreneur personalities are invited to share their valuable views and real world experiences with the students interactively.

Under the same effort E-cell organized **Entrepreneurial Workshop on Thursday, 10<sup>th</sup> November 2016** for MBA, BBA, B Tech., B.Sc. Agriculture students. Where the senior officials from **Ministry of Micro, Small & Medium Enterprises MSME-Development Institute Jaipur ; District Industries Centre, Jaipur;** & an official from Bank of Baroda were invited as the Speakers for the workshop. The theme of the workshop was **Industrial Motivation** . The workshop begins with the welcome address given by Dr. Vaishali Sharma, Dean , Faculty of Management. The workshop was coordinated by Dr. Shilpi Khandelwal.

**Mr. K C Meena Assistant Director, MSME-DI, Jaipur** discussed about the theme of the programme. He told the students about the Ministry of Micro, Small & Medium Enterprises and its role and activities. He highlights the need and importance of entrepreneurship and the role of higher studies and technical students in developing entrepreneurship.

**Mr. D N Mathur, Manager, DIC , Jaipur** discussed with the students about the role and activity of DIC in developing entrepreneurship. He also told the students about the various schemes of DIC to promote entrepreneurship. He told the main functions of the Department are promotion

*of small scale industries, to assist in the marketing of their products, development of salt areas, handicrafts artisan development, development of handloom, etc. The Department also provides various concessions and facilities and assistance for setting up of industrial units in the State. Registration of SSI units under the scheme of Government of India is one of the main functions of the Department.*

**Mr. Pradeep Ojha, Deputy Director from Ministry of Micro, Small & Medium Enterprises** discussed about the various schemes of MSME for General/SC/ST and Women entrepreneurs. He shared the schemes like Public Procurement Policy MSE-2012, Prime Minister Employment Generation Programme, Industrial policy of Govt. of Rajasthan and linkage with state government functionaries and Financial Institutions.

**Mr. S S Yadav from Bank of Baroda** shared some valuable thoughts on start ups. He told the students about the various schemes provided by banks for start ups. He also give some tips to students about how to start a start ups and completing the bank formalities for the financing of start ups.

## A National Seminar

ON

"CONTEMPORARY MANAGEMENT PRACTICES:  
Leadership in Times of Complexity and Change"

Saturday, 4th March, 2017

Organized by  
Faculty of Management

UGC Approved & NAAC Accredited

Knowledge Partner

INDIAN SOCIETY

FOR

TRAINING & DEVELOPMENT

### About the University

Jagan Nath University, Jaipur has been established by Act No. 19 of 2008 of the Rajasthan State Legislature and approved by University Grants Commission under the UGC Act, 1956. The University has been accredited with Grade 'B' (Good) by National Assessment and Accreditation Council (NAAC) and is also a member of the Association of Indian Universities (AIU). The University is running various Under-graduates, Post-Graduate and Doctorate programmes in Engineering & Technology, Management & Commerce, Law, Architecture, Life & Allied Sciences etc. All the professional courses are run with the approval of regulatory bodies.

With an aim to impart quality education and to make the University one of the best Centre of Excellence for higher studies and research, the University has developed excellent physical and academic infrastructure.

### Faculty of Management

The Faculty of Management, Jagannath University since its inception in 2008, nurtures the skills of its students through its highly demanding professional courses of MBA & BBA. It helps them shape into professionals and attempts to strike an innovative balance between theory and practice of management concepts by conducting various management activities throughout the course. It creates individuals who strive for a balanced personal and professional life, are successes in their fields and are magnets for people attracted to excellence.

The Faculty of Management focuses on management education more than just business management. The commitment is thought leadership with a deep understanding of business.

### Biz Mage at a Glance

Continuing with our tradition of increased interaction with Corporate and building awareness among budding managers, Faculty of Management, JaganNath University organises a seminar on contemporary issues.

The Biz Mage17', 4<sup>th</sup> National Seminar is organised on the theme

#### Leadership

- Contemporary Management Practices: Leadership in Times of Complexity and Change** aims at understanding and enabling environment for reflective observation and application of recent developments in management.
- Developing New Capabilities
  - Emotional Intelligence
  - Effective Leadership Skills
  - Zero-and low-cost ways to motivate the people
  - Spirituality-Skill Paradigm for Leadership
  - Leading with Integrity

Keeping in view the diverse set of responsibilities at different levels of management and leadership that meet the needs of the enterprise and its stakeholders while protecting, sustaining and enhancing the human and other resources that will be needed in the future, the learning will be inter-disciplinary in nature. The seminar is a timely endeavor to focus on the skill set and strategies required to deal globally for both current and aspiring leaders and ready them to test their mettle in the future. At the same time, leaders need to ready themselves for the many unanticipated challenges in present times and in future; this seminar attempts to explore how best to achieve that as well.

- Session II: Challenges for Leadership in a Global Economy**
- Crafting Cultures of Innovation
  - New Organisational Structures
  - Promoting Partnerships
  - Mobilising Knowledge
  - Encouraging Social Responsibility
  - Leadership in Crisis Situation
  - Leading in a Reset Economy and Uncertain World,

### Registration

Faculty Members : Rs. 300  
 Corporate Personnel: Rs. 500  
 Students : Rs. 200  
 Special 10% Disc. to ISTD Members  
 Registration includes Kit Certificate, Tea & Lunch

The two sessions of the seminar would be :

**JAGANNATH**  
UNIVERSITY

**Report on National Seminar**

 **“BIZ-MAGE-17”**

**CONTEMPORARY MANAGEMENT PRACTICES:  
“LEADERSHIP IN TIMES OF COMPLEXITY & CHANGE”**

**ISTD (Indian Society for Training and Development), Jaipur Chapter** was the **Knowledge Partner** for the Seminar. The Indian Society for Training & Development (ISTD), is a national level professional & non-profit society. The Society is affiliated to the International Federation of Training and Development Organizations (IFTDO), Geneva and Asian Regional Training and Development Organizations (ARTDO), Manila.

### About the Theme

With the rapidly changing scenario a paradigm shift in the positions of the leaders is required as both organization and people need to know that they are in good, capable hands. The traditional hierarchical, bureaucratic, and insulated organizational models no longer work in this new business era. Quality improvement, evidence-based practice, and systems thinking are essential to maintaining one's competitive edge.

- Leadership in Crisis Situation
- Leading in a Reset Economy and Uncertain World,

## About the University

Jagan Nath University, Jaipur has been established by Act No. 19 of 2008 of the Rajasthan State Legislature and approved by University Grants Commission under the UGC Act, 1956. The University has been accredited with Grade 'B' (Good) by National Assessment and Accreditation Council (NAAC) and is also a member of the Association of Indian Universities (AIU). The University is running various Under-graduates, Post-Graduate and Doctorate programmes in Engineering & Technology, Management & Commerce, Law, Architecture, Life & Allied Sciences etc. All the professional courses are run with the approval of regulatory bodies i.e. Bar Council of India, Council of Architecture, Distance Education Council, etc.

The university is situated at NH-12, Chaksu bypass, Tonk road, Jaipur which is in proximity to the Airport and Sitapura Industrial area. It has a vast campus spread over 40 acres of land with all modern educational facilities. The University also has a 10.5 acre campus at Sitapura, Jaipur.

## Faculty of Management

The Faculty of Management, Jagannath University since its inception in 2008, nurtures the skills of its students through its highly demanding professional courses of MBA & BBA. It helps them shape into professionals and attempts to strike an innovative balance between theory and practice of management concepts by conducting various management activities throughout the course. It creates individuals who strive for a balanced personal and professional life, are successes in their fields and are magnets for people attracted to excellence.

The Faculty of Management focuses on management education more than just business management. The commitment is thought leadership with a deep understanding of business.

## Inaugural Session

The seminar was inaugurated by Prof. Dr. V.K. Agarwal, Vice Chancellor, Jagannath University, Jaipur. Dr. Vaishali Shram, Dean, Faculty of Management gave the welcome address and welcomed all the delegates. In her welcome address she briefed about the University and its achievement. She welcomed all the distinguished guests who spared there time to enrich the gathering through their experience and expertise.

The Key Note address was delivered by Dr. Amit Jain, Chairman, ISTD, Jaipur Chapter.

Dr. Amit Jain as keynote speaker rightly pointed out that todays business leader faces a certain degree of uncertainty, risk, and complexity. A leader needs to fulfill his commitment in times of complexities and change. In the times of extreme market volatility and innovations; sustainability has become a major business issue. Moreover the millennial generation is entering the workforce and bringing a new set of values and priorities. He said that a leader is great only when he helps others in his group to become great.

Prof. Dr. V.K. Agarwal, Vice Chancellor, Jagannath University, in his Presidential Address said that the life of a modern day leader is not easy. The requirements of leadership also change over time. Corporate cultures, work force demographics, generational expectations and the very nature of work are all changing rapidly, so it should come as no surprise that the characteristics of successful leaders also evolve.

The Distinguished guest were presented memento as a token of gratitude for their gracious presence. Vote of Thanks for the session was delivered by Prof. Kapil Khattar.

### Compiled Suggestions of Participants

1. Organise such events frequently
2. Seminar must also provide opportunity to selected participants to speak on such forums which will have catalytic effect on students.
3. Seminar sessions were good and can be made more interactive.
4. As it was a whole day program so more comfortable sitting arrangement should be there.
5. Infrastructure and facilities can be improved.
6. Some participants have suggested speakers to deliver in mixed language.
7. Some have also suggested reducing the duration of the seminar.

## Session Speakers

**Faculty of Engineering & Technology**

**A Seminar Report on**  
**'Current Scenario of Technology and Job Status in Current Market'**  
**(22<sup>nd</sup> March 2017)**

A Seminar was organized by Faculty of Engineering & Technology on 22<sup>nd</sup> March 2017 on ***Current Scenario of Technology and Job Status in Current Market.***

**Purpose of the workshop**

This seminar is designed to assist students in their employment search by keeping the current status and requirements in to account. The current technology driven scenario is being the major area of emphasis. Students meet with professionals in round table discussion groups; learn about the day-to-day activities in these industries, how to network and job search, how to keep your network alive, and how to be successful in internships and in early career.

**Participants of the workshop**

114 participants have attended the workshop out of 242 registrations and get benefitted in terms of current trends in the said field.

**Keynote Speaker:** Mr. Shrey Sharma, CEO Cyntexa Ltd.

**Seminar Contents**

Students meet with professionals in round table discussion groups; learn about the day-to-day activities in these industries, how to network and job search, how to keep your network alive, and how to be successful in internships and in early career.

Students understand the current scenario and utility of technology richness in job market these days. They also leverage the interview tips by participating in mock interviews.

**DETAIL REPORT OF JAGANNATH UNIVERSITY NATIONAL MOOT COURT  
COMPETITION-2017 (April 8-9, 2017)**

Faculty of Law, Jagannath University, Jaipur under the Mentorship of Honorable Chancellor Dr. Amit Gupta, Mr. Manish Gupta, Mr. Deepak Gupta, Honorable Vice Chancellor Prof. (Dr.) V. K. Agarwal and Prof. (Dr.) Mahendra Tiwari Dean (Law), organized a Moot Court Competition in order to enhance the legal skills & augment knowledge of law. Faculty of Law executed the plan with the help of Students Moot Court Committee and finally organized the National Moot court Competition- 2017 on *April 8-9, 2017 at Sitapura Campus.*

The students Moot Court Committee drafted the Moot court problem, Rules, Regulations for the Moot Court Competition and invitation letter, which was uploaded on the Website of Lawtopus. After uploading the Moot problem overwhelming response was received from various National Law Schools and Top leading law Institutions from across the country.

Total 54 teams from reputed Law Institutions and Universities across the country registered for this competition, out of which total 46 teams joined and participated in the competition. Each team had two Mooters and One Researcher i.e. 3 students.

Finally the Vote of thanks was given by Dr. Abhishek Baplawat

The whole proceedings of this National Moot Court Competition were web casted live on YouTube and Jagannath University's Facebook page.

After completion of the whole event feedback forms record from all the present participating teams were taken by the Dean and after analyzing the appreciation and problem/suggestions given by the students in feedback form, following improvement were required for future Moot Court Competition:-

1. The Moot Court Competition should be organized for Three days.
2. There should be two preliminary rounds, so that each participating team should get chance to present their arguments from both side i.e. appellant & respondent.
3. The memorial should be taken from both the side in 5-6 copies, so that they can easily distributed to judges also.

Participants also appreciated:

1. The overall management & discipline in organizing National Moot Court Competition.
2. The joint efforts of Dean, Faculty members and all the students involving in hospitality.
3. The Boarding, Transport and food provided to them.
4. The mechanism of draw of lots and result declaration pattern of each round of the competition.

**Circular**

Date: 10<sup>th</sup> May 17

This is to inform that Department of Engineering & Technology is going to organize a **Seminar on "Quality in Data Warehouse Systems"** on 13<sup>th</sup> May 2017 at Seminar Hall, A-Block Chaksu Campus at 02:00PM.

All faculty members of the department are requested to encourage all students to attend the event without fail. The Brochure is enclosed for your reference.

## About the Speaker

**Dr. Harish Sharma**

Dr. Harish Sharma is an Associate Professor in the Department of Computer Engineering at Rajasthan Technical University Kota. His research areas are Swarm Intelligence Based Algorithms, Evolutionary Algorithms, Security, Histopathological Image analysis, Pattern Recognition, Medical Imaging. He is Life time member of Cryptology Research Society of India, ISI, Kolkata and Life time member of Soft-Computing Research Society India. He has rich experience in research publications and has attended many conference and workshops as Keynote Speaker. He has completed his Ph.D from Rajasthan Technical University Kota. He has received junior research fellowship award from CSIR, Delhi. He has chaired the sessions in different international and national conferences.

**Faculty of Engineering & Technology**

**A Seminar Report on**

**“Quality in Data Warehouse Systems”**

**(13<sup>th</sup> May 2017)**

A seminar was organized by Faculty of Engineering & Technology on 13<sup>th</sup> May 2017 on “*Quality in Data Warehouse Systems*”.

#### **Purpose of the Seminar**

In recent years, research in this field have addressed many topics, ranging from conceptual-level and methodological issues, which help designers to build effective decision-support applications, to physical-level issues, aiming at increasing the performance of these applications in order to deal with vast amounts of data. However, the successful use of data warehousing technologies within organizations brings up new requirements and research opportunities, in particular to cope with non-traditional application domains, such as biological, multimedia, and spatio-temporal applications. This seminar is organized to let our students familiar with the current trends in Data Warehouse technologies.

#### **Participants of the workshop**

90 participants have attended the workshop out of 112 registrations for this seminar and get benefitted in terms of current trends and research in the said field.

**Keynote Speaker:** Dr. Harish Sharma, Associate Professor, Rajasthan Technical University

#### **Workshop Contents**

The session was great as recent trends and applications were discussed. The topics covered during the session are as follows:

- Quality factors in Data Warehousing

**HEAD**  
DEPARTMENT OF ENGINEERING & TECHNOLOGY

**ACTIVITY REPORT**

<b>Name of the Activity</b>	<b>Paper Mache</b>	
<b>Type of Activity</b>	Workshop	
<b>Venue</b>	Gate No. 3, Sitapura Campus	
<b>Date of Activity</b>	23 <sup>rd</sup> - 24 <sup>th</sup> May, 2017	
<b>No of students</b>	44 students	
<b>Name of Faculty/Coordinators:</b>	Mr. Pawan Kumar Sharma	
<b>Organizing Dept./ Support System</b>	Faculty of Architecture & Planning, Jagannath University, Jaipur	
<b>Description</b>	Paper mache creates three-dimensional projects by combining paper with a strong glue and drying it into a sturdy shell. Paper mache takes the form of whichever mold you've used to shape it when wet. You can then decorate in any way you want - even with glitter!
