Dear Sir/Madam,

With reference to your application for registration as a Research Scholar to supplicate for the Ph.D. Degree of the university, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the subject "Towards Expert Systems for Enhancing Quality of Services in Cloud Computing" under the supervision of Prof. (Dr.) Vivek Kumar.

Your Registration Number is JNU/RS/2012/ET041

The date of commencement of research work will be the date on which the Candidate commences work but it should not be earlier than the date of dispatch of his application to the university office and not later than the date of dispatch of this letter and any date between the two.

Notes:

1. This permission will be deemed to have lapsed after a period of three years unless the Candidate write to the University through his supervisor for renewing it and the university grants the same.
2. When the thesis is likely to be submitted within the next six months, the candidate should submit a brief summary of the thesis on receipt of which action will be taken for appointment of referees.
3. After the thesis is completed, the candidate should supply four printed copies of the thesis together with the balance on account of the fee.
4. The thesis when it is submitted should accompanied:-
 - a. A certificate by the supervisor indicating how far the work is the original work of the candidate.
 - b. A certificate from the Principal in case of the candidate who is a student of an affiliated college or from the Supervisor in other case, to the effect that the student resided and worked under the guidance of supervisor for not less than 100 days in each of the two years preceding the submission of his/her thesis.
5. A report on candidate's work is required to be made by the supervisor every six months.

Copy forwarded to:-

Dear Sir/ Madam,

With reference to your application for registration as a Research Scholar for the Ph.D. Degree program of the university, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the title "Socio & legal study of the sexual harassment of women at workplace (Prevention, prohibition & redressal) Act, 2013" under the supervision of Dr. Mahendra Tiwari.

Your Registration Number is JNU/RS/2014/LAW008 which is subject to the following:

1. You shall submit your progress report half yearly from the date of Ph.D. registration duly recommended by the Supervisor to the University.
2. You may submit your thesis within a period of three years, but not before two years from the date of commencement of your registration.
3. You will be registered for Ph.D. for a period of three years. After three years the maximum extension of registration could be granted to you up to another three years on yearly basis on prescribed fee. In case you do not submit your thesis within the above mentioned period you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a pre Ph. D presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. You shall publish at least one research paper in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprints.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six month of this notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a no dues certificate.
8. The thesis when it is submitted should accompanied:
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.
9. In so far as this letter is not an exhaustive statement of the terms and conditions of your registration, the same as are prescribed from time to time in the Act, Statutes, Regulations, etc. shall be deemed to have become operative as part of the letter.

Dear Sir/ Madam,

With reference to your application for registration as a Research Scholar for the Ph.D. Degree program of the university, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the title "Comparative Financial Performance of Major Electrical Multinationals" under the supervision of Dr. Kapil Khatter.

Your Registration Number is JNU/RS/2016/MG104 which is subject to the following:

1. You shall submit your progress report half yearly from the date of Ph.D. registration duly recommended by the Supervisor to the University.
2. You may submit your thesis within a period of three years, but not before two years from the date of commencement of your registration.
3. You will be registered for Ph.D. for a period of three years. After three years the maximum extension of registration could be granted to you up to another three years on yearly basis on prescribed fee. In case you do not submit your thesis within the above mentioned period you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a pre Ph.D. presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. You shall publish at least one research paper in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprints.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six month of this notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a 'no dues' certificate.
8. The thesis when it is submitted should accompanied:
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.
9. In so far as this letter is not an exhaustive statement of the terms and conditions of your registration the same as are prescribed from time to time in the Act, Statutes, Regulations, etc. shall be deemed to have become operative as part of the letter.

Dear Sir/ Madam,

After successfully qualifying the Course work examination for the Ph.D. Degree program of the University and on recommendation of Departmental Research Advisory Committee after considering your synopsis presentation, I am to inform that you have been registered to carry on research on the title "A Study of Soft Skills Programs in B-Schools in Delhi/ NCR" under the supervision of Dr. Vaishali Sharma.

Your Registration Number is JNU/RS/2016-17/MG002 w.e.f. 30.09.2016 which is subject to the following:

1. You shall appear before the Departmental Research Advisory Committee once in six month to make a presentation of progress of your research work for the evaluation and submit thereafter, a hard copy of the same.
2. You may submit your thesis after a period of minimum three years from the date of your enrollment, but not before two years from the date of your registration, whichever is later.
3. After three years of the date of enrollment, the maximum extension may be granted up to another three years on yearly basis on the prescribed fee. In case you do not submit your thesis within the above mentioned period, you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a Pre-Ph. D presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. The student shall publish at least one research paper in refereed journal and make two paper presentations in conferences/seminars for adjudication, and produce evidence for the same in the form of presentation certificates and/or reprints at the time of Pre Ph.D. presentation.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he/she shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his/her thesis within six month of the notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a 'no dues certificate'.
8. The thesis when it is submitted should accompanied:
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.
 - c. A certificate by the candidate stating that there is no plagiarism in the thesis.
9. In so far as this letter is not an exhaustive statement of the terms and conditions of your registration, the same as are prescribed from time to time in the Act, Statutes, Regulations, etc. shall be deemed to become operative as part of the letter.
10. You will be governed by Ph.D. (Doctor of Philosophy) Regulations, 2016.

Dear Sir/ Madam:

With reference to your application for registration as a Research Scholar for the Ph.D. Degree program of the University, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the title "An Enhanced Security Mechanism Using Soft Computing Technique in Mobile Networks" under the supervision of Dr. Sandeep Kumar.

Your Registration Number is JNU/RS/2016/ET212 which is subject to the following:

1. You shall submit your progress report half yearly from the date of Ph.D. registration duly recommended by the Supervisor to the University.
2. You may submit your thesis within a period of three years, but not before two years from the date of commencement of your registration.
3. You will be registered for Ph.D. for a period of three years. After three years the maximum extension of registration could be granted to you up to another three years on yearly basis on prescribed fee. In case you do not submit your thesis within the above mentioned period you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a pro Ph. D presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. You shall publish at least one research paper in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter, or the reprints.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six month of this notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a 'no dues certificate'.
8. The thesis when it is submitted should accompanied:-
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.

9. In so far as this letter is not an exhaustive statement of the terms and conditions of your registration, the same as are prescribed from time to time in the Act, Statutes, Regulations, etc. shall have become operative as part of the latter.

Dear Sir/ Madam.

With reference to your application for registration as a Research Scholar to supplicate for the Ph.D. Degree of the university, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the subject "Impact of Consumer Behaviour over marketing Strategy - A Comparative Study of Two Wheeler Industry in Jaipur (With special reference to Bajaj Auto)" under the supervision of Dr. Ravi Sharma and under the joint supervision of Dr. Alok Sharma.

Your Registration Number is JNU/RS/2013/MG059

The date of commencement of research work will be the date on which the Candidate commences work but it should not be earlier than the date of dispatch of his application to the university office and not later than the date of dispatch of this letter and any date between the two.

Notes:

1. This permission will be deemed to have lapsed after a period of three years unless the Candidate write to the University through his supervisor for renewing it and the university grants the same.
2. When the thesis is likely to be submitted within the next six months, the candidate should submit a brief summary of the thesis on receipt of which action will be taken for appointment of referees.
3. After the thesis is completed, the candidate should supply five printed copies of the thesis together with the balance on account of the fee.
4. The thesis when it is submitted should accompanied:-
 - a. A certificate by the supervisor indicating how far the work is the original work of the candidate.
 - b. A certificate from the Principal in case of the candidate who is a student of an affiliated college or from the Supervisor in other case, to the effect that the student resided and worked under the guidance of supervisor for not less than 100 days each of the two years preceding the submission of his/her thesis.
5. A report on candidate's work is required to be made by the supervisor every six months.

Copy forwarded to:-

1. Dean of the Faculty, Jagannath University
2. Dr. Ravi Sharma, 75, Santosh Nagar New Sanganer Road, Jaipur
3. Dr. Alok Sharma, Jagannath University, Jaipur

Dear Sir/ Madam,

With reference to your application for registration as a Research Scholar for the Ph.D. Degree program of the university, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the title "Working Capital Management in Selected Fertilizer Company (With Special Reference to NFL, Kribhco, Chamble Fertilizers and Chemicals Limited)" under the supervision of Dr. Naresh Kumar and under the joint supervision of Dr. Kapil Khattar.

Your Registration Number is JNU/RS/2014/IMG087 which is subject to the following:

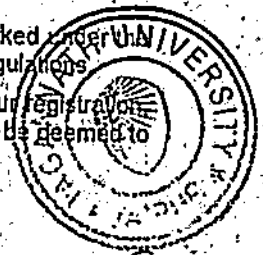

1. You shall submit your progress report half yearly from the date of Ph.D. registration duly recommended by the Supervisor to the University.
2. You may submit your thesis within a period of three years, but not before two years from the date of commencement of your registration.
3. You will be registered for Ph.D. for a period of three years. After three years the maximum extension of registration could be granted to you up to another three years on yearly basis on prescribed fee. In case you do not submit your thesis within the above mentioned period you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a pre Ph. D presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. You shall publish at least one research paper in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprints.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six month of this notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a 'no dues certificate'.
8. The thesis when it is submitted should accompanied:-
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.
9. In so far as this letter is not an exhaustive statement of the terms and conditions of your registration, the same as are prescribed from time to time in the Act, Statutes, Regulations, etc. shall be deemed to have become operative as part of the letter.

Copy forwarded to:

I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the subject "Soft Computing Theories and Techniques: Their uses in Solving Computing and Optimization Problems" under the supervision of Dr. Vivek Kumar Sharma.

Your Registration Number is JNU/RS/2012/ET060.

The date of commencement of research work will be the date on which the Candidate commences work but it should not be earlier than the date of dispatch of his application to the university office and not later than the date of dispatch of this letter and any date between the two.

This permission will be deemed to have lapsed after a period of three years unless the Candidate write to the University through his supervisor for renewing it and the university grants the same.

When the thesis is likely to be submitted within the next six months, the candidate should submit a brief summary of the thesis on receipt of which action will be taken for appointment of referees.

After the thesis is completed, the candidate should supply four printed copies of the thesis together with the balance on account of the fee.

The thesis when it is submitted should accompanied-

- a. A certificate by the supervisor indicating how far the work is the original work of the candidate.
- b. A certificate from the Principal in case of the candidate who is a student of any affiliated college, or from the Supervisor in other case, to the effect that the student resided and worked under the guidance of supervisor for not less than 100 days in each of the two years preceding the submission of his/her thesis.

Attention on candidate's work is required to be made by the supervisor every six

Copy to be retained at:

Dear Sir/Madam.

With reference to your application for registration as a Research Scholar for the Ph.D. Degree program of the university, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the title "Cost Optimization and Mathematical Modeling Solution to Stochastic Processes in Inventory Systems" under the supervision of Dr. Vivek Kumar Sharma and under the joint supervision of Dr. Rudresh Pandey.

Your Registration Number is JNU/RS/2016/ET195 which is subject to the following:

1. You shall submit your progress report half yearly from the date of Ph.D. registration duly recommended by the Supervisor to the University.
2. You may submit your thesis within a period of three years, but not before two years from the date of commencement of your registration.
3. You will be registered for Ph.D. for a period of three years. After three years the maximum extension of registration could be granted to you up to another three years on yearly basis on prescribed fee. In case you do not submit your thesis within the above mentioned period you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a pre Ph. D presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. You shall publish at least one research paper in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprints.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six month of this notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a no dues certificate.
8. The thesis when it is submitted should accompanied:-
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.
9. In so far as this letter is not an exhaustive statement of the terms and conditions of your registration, the same as are prescribed from time to time in the Act, Statutes, Regulations and other rules deemed to have become operative as part of the letter.

Dear Sir/ Madam.

With reference to your application for registration as a Research Scholar for the Ph.D. Degree program of the university, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the title "Aggrandize text security through Steganography" under the supervision of Dr. Meenu Dave.

Your Registration Number is JNU/RS/2015/ET201 which is subject to the following:

1. You shall submit your progress report half yearly from the date of Ph.D. registration duly recommended by the Supervisor to the University.
2. You may submit your thesis within a period of three years, but not before two years from the date of commencement of your registration.
3. You will be registered for Ph.D. for a period of three years. After three years the maximum extension of registration could be granted to you up to another three years on yearly basis on prescribed fee. In case you do not submit your thesis within the above mentioned period you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a pre Ph. D presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. You shall publish at least one research paper in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprints.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six month of this notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a 'no dues certificate'.
8. The thesis when it is submitted should accompanied:-
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.

From: Mr. Mahendra

With reference to your application for registration as a Research Scholar for the Ph.D. Degree program of the University, I am to inform that you have been permitted by the Vice-Chancellor to carry on research on the title "Minimum Age of Criminal Responsibility: A Comparative Study of Laws of U.K, China, Australia and India" under the supervision of Dr. Mahendra Tiwari.

Your Registration Number is JNU/RS(2018/LAW/01) which is subject to the following:

1. You shall submit your progress report half yearly from the date of Ph.D. registration duly recommended by the Supervisor to the University.
2. You may submit your thesis within a period of three years, but not before two years from the date of commencement of your registration.
3. You will be registered for Ph.D. for a period of three years. After three years the maximum extension of registration could be granted to you up to another three years on yearly basis on prescribed fee. In case you do not submit your thesis within the above mentioned period you will not be permitted to submit the thesis on the same topic and will be required to apply for a fresh registration on a changed topic.
4. Prior to submission of thesis, you shall make a pre Ph.D presentation in the department may open to all the faculty members and research students, for getting feedback and comments, which may be suitably incorporated into draft thesis under the advice of the supervisor.
5. You shall publish at least one research paper in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprints.
6. The supervisor shall notify to the University that the thesis is ready for submission. Before that he shall make sure that the thesis is presentable in all its aspects and shall forward two copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six month of this notification by the supervisor.
7. After the thesis is completed, the candidate should submit five printed copies of the thesis together with a no dues certificate.
8. The thesis when it is submitted should accompanied:
 - a. A certificate by the supervisor indicating that the thesis is original work of the candidate and has not been submitted for the award of any degree/diploma in any University.
 - b. A certificate from the Supervisor to the effect that the student resided and worked under the guidance of the supervisor for the required period as stipulated in the Ph.D. Regulations.
9. In so far as this letter is not an exhaustive statement of the terms and conditions of your registration, the same as are prescribed from time to time in the Act, Statutes, Regulations, etc. shall be deemed to have become operative as part of the letter.
