

Report on  
**Swachhta hi Sewa Campaign**  
**(Under Unnat Bharat Abhiyaan)**  
**11 September to 2 October 2019**

Jagan Nath University is one of the participating institutes under Unnat Bharat Abhiyan. As per the guidelines of Minister of Higher Education (MHRD), Government of India under Unnat Bharat Abhiyan (UBA) we have participated in the "Swachhta Hi Sewa" Campaign in the 5 adopted villages and make them plastic free villages.

As one of the participating UBA institutions we have distributed **Cloth Bags** in each household of our adopted villages ( Birdhpura Swami ka Bas, Mahachandpura, Rampura, Girdharilalpur, Tigariya) and collected back all **Plastic Bags** that are being used by them. The campaign was run between 11 Sept to 2nd October, 2019 and now these villages may be declared as plastic free village. The details of the campaign is as follows :

**11-14 Sept - Village MAHACHANPURA** - 40 student volunteers with 5 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. approximately 12 kgs of plastic waste is collected from the village and 100 cloth bags were distributed in the village.

**16-21 Sept.- Village RAMPURA-** 40 student volunteers with 5 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. Approximately 10 kgs of plastic waste is collected from the village and 100 cloth bags were distributed in the village.

**23-28 Sept- Village - GIRDHARILALPURA & TIGARIYA** - 40 student volunteers with 5 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. Approximately 18 kgs of plastic waste is collected from the village and 200 cloth bags were distributed in the village

**30 Sept-2 Oct. - Village- BIRDHPURA SWAMI KA BAS** - 20 student volunteers with 3 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. Approximately 12 kgs of plastic waste is collected from the village and 100 cloth bags were distributed in the village.

JaganNath University have conducted rally in each of the adopted villages for the awareness of harmful effects of plastic waste. Also conducted a meeting with the Sarpanch and ward members of each village for the ban of single use plastic.

*Jagannath Univesrity have collected around 52 kgs of plastic waste from all the households of our adopted villages. We have distributed 500 cloth bags in our adopted villages.*

*The event was coordinated by UBA Coordinator Dr. Shilpi Khandelwal.*

*Here are the glimpses .....*

### प्लास्टिक मुक्त गाँव-महावन्दपुराब

**प्लास्टिक के खतरनाक प्रभाव:**

1. आसानी से टूटने से इस प्रकार के प्रदूषण की अधिक सम्भावना है। क्योंकि इन टोपों के अतिरिक्त लोग बड़े पैमाने पर प्लास्टिक उपयोग करते हैं।
2. इनसे द्वारा फेंके गये अन्दे कदों में प्लास्टिक की कचड़ी और कचरों को कई जातवादी द्वारा खा दिया जाता है जिससे उनकी मृत्यु हो सकती है।
3. कचरा के सौम्य में सड़क पर पड़ा हुआ प्लास्टिक का कचरा जो कि पास के जलस्रोत और नदों और खाईयों में गिर जाता है उससे पानी के स्रोत में प्रदूषण होता है।
4. प्लास्टिक में उपयोग होने वाली सिंथेटिक सामग्री से पानी की गुणवत्ता में भी कमी आ जाती है।
5. सड़ती हुई कचरों में प्लास्टिक प्रदूषण के कारण अजीब जंतुओं की उत्पत्ति मृत्यु हो रही है।
6. प्लास्टिक प्राकृतिक तरीके से बिघड़ते नहीं होते, इसलिए वातावरण के लिए खतरनाक होते हैं।

### PLANTATION PROGRAM

4 September 2015

JaganNath University has organized "PLANTATION PROGRAM" on 4 September, 2015. The student and faculty volunteers for the event has carried out plantation program in the University Campus & local neighborhood. They also carried out rally in local neighborhood for environmental conservation & plantation. The event was inaugurated by the Hon'ble Vice Chancellor of the University Prof. V.K. Agarwal. Faculty Coordinators for the event were Dr. M.C. Bohra & Mr. Sourabh Joshi. The student Coordinators for the event was Vikas Meena. A total of 50 student & faculty volunteers has participated in the event.

### Activity Report

#### Report on International Women's Day

Around the world and through the decades, many people shared in the global struggle for gender equality. Regardless of our age, country, background or gender, the fight for equal rights has collectively defined our lives and we must take action together to achieve it. This International Women's Day, UN Women's multi-generational campaign, Generation Equality, brings together past and present advocates to demand gender equality in this generation.

**International Women's Day (IWD)** is celebrated on the 8th of March every year. It is a focal point in the movement for women's rights.

International Women's Day is a time to reflect on progress made, to call for change and to celebrate acts of courage and determination by ordinary women, who have played an extraordinary role in the history of their countries and communities. The world has made unprecedented advances, but no country has achieved gender equality.

Fifty years ago, we landed on the moon; in the last decade, we discovered new human ancestors and photographed a black hole for the first time.

In the meantime, legal restrictions have kept 2.7 billion women from accessing the same choice of jobs as men. Less than 25 per cent of parliamentarians were women, as of 2019. One in three women experience gender-based violence, still. The theme of International Women's Day 2020 is, **Generation Equality: Realizing Women's Rights**. So, for the celebration of the International Women's Day 2020, Student Welfare Cell and Women Development Cell, Jagannath University jointly organized various activities for students, faculties and other female staff members in the campus during the week from 1<sup>st</sup> to 7<sup>th</sup> March, 2020.

**A debate competition** has been organized for students on the theme "**Women Empowerment, Health and Education**" on 5th March, 2020 at Seminar Hall (1.00P.M-to 2.30 P.M) 12 students participated in this competition. At the end of the event winner and runners awarded by mementoes. All participants got certificate for the participation.

**Results of debate competition:**

1. Winner: Nilesh Dhakar (B.Ed III Sem.)
2. Second Runner: Lekha Prajapati (B.Ed III Sem.)
3. Third Runner: Aditi Kumari (B.Tech IV Sem)

After the debate competition a **Walkathon** has been done by female staff members and girl students in all the campus. All female participated in walkathon enthusiastically. The main aim of this walkathon to describe Gender inequality is a long-term problem in our society and female are discriminated in many ways in the social context of India, although legally women have equal right. Thus, there is a great need to sensitize the society on gender issues so that there would be no discrimination on the basis of gender. Women empowerment through gender sensitization is one of the key criteria to unlock the potential of women. Builds on the experiences we faced and explains the importance of gender sensitization in educational institutions to deal with various genders related issues.

After the walkathon a **street play** performed by a group of students on the theme of **“Women Health, Safety and Security”** 2020 is set to be a year of milestones for women, gender equity, and health. In the series pointed out, action is needed against social, cultural, economic, and geographical factors that often prevent women with early disease presenting to care. Furthermore, investment in cancer services for women should be accompanied by policies that promote gender equality and risk protection against the costs of care.

In the series of celebration of Women’s day a **Guest Lecture** was delivered by **Prof.LalitaVatta** (In charge of Women Cell, University of Rajasthan) on 6th March,2020 in Seminar Hall at 12.30P.M.

Prof. Lilita discussed various issues and perspective about women’s health, safety and security. Prof. P.N.Kalla Dean Faculty of Science welcomed the guest by presenting the bouquet, Ms. Swati Chaturvedi, Member Women Development Cell coordinated the event and at the end Dr. Ranjeeta Soni, Dean Student Welfare gave the vote of thanks.

Glimpses of the program celebration:

## Activity Report

Women Development Cell organized a Poster Competition related to Gender Issues on occasion of International Women's Day (8<sup>th</sup> March) for the students of University. 2019

The purpose of this poster making was to sensitize them towards Gender related problems and to have an overview that how it is obstructing the growth and development of the society.

Students had to not just make posters but explain their thoughts and girls were encouraged to share from their lives if they had faced such issues.

## SWACHH BHARAT SUMMER INTERNSHIP 2018

“Cleanliness Is Next to Godliness.” – Mahatma Gandhi.

Swachh Bharat Summer Internship 2018, the hundred hour program of Swachhata, has been organized by the Ministry of Water and Sanitation in association with the Ministry of Human Resources Development, Government of India. The objective of this internship programme was to engage the youth across the country and develop their skill and orientation for sanitation related work, amplifying mass awareness on cleanliness and cement the people's movement (Jan Andolan) aspect of Swachh Bharat Mission. This is in line with the Prime Minister Narendra Modi's call on October 2, 2014 for each individual to devote 100 hours to Swachhata through the year. The programme was expected to not only provide a great learning experience to students but hopes to also further the existing measures undertaken by the government in ensuring a clean and healthy India.

As a part of the internship, the awareness that interns constructed were divided into two segments: first, (IEC) Information, Education and Communication activities and second, (SWM) Solid Waste Management related activities that targeted generation of awareness around waste collection, segregation, disposal and waste free environment. IEC activities are oriented towards increasing awareness among people about sanitation related issues and trigger a change in sanitation related behaviour.

The main endeavor of the program was to integrate students in the community service in rural areas. The university prepared an action plan on "Swachh Bharat Summer Internship 2018" and organized various activities during summer vacation and has planned to organize many more in the forthcoming session 2018-19. A total of 50 individual volunteers and 57 in teams as volunteers, who got registered under the summer internship, was formed in the month of May 2018 to support and compliment 'Swachh Bharat Mission' of the Government of India. Through the said program, JaganNath University initiated a campaign to make the public, especially in rural areas, aware about the mission of Swachhata. During this 100 hour program, the interns were given the opportunity to perform cleanliness related activities.

Under the Information, Education and Communicative activities, JaganNath University interns have done following activities during SBSI program:

1. Organized awareness campaigns for better sanitation practices like using a toilet, hand washing, health and hygiene awareness etc.
2. Organized Swachhata awareness rally in the villages.
3. Conducted door-to door meetings to stimulate change with respect to sanitation practices.
4. Conducted school and village level rallies to generate awareness about sanitation

Certified True Copy  
Registrar  
Jagan Nath University, Jaipur

The second category, Solid Waste Management related activities targeted generation of awareness around waste collection, segregation, disposal and waste free environment:

1. Organized waste collection drives in households and shared spaces.
2. Organized lectures on solid waste management.
3. Engaged community and gram panchayats to build compost pits, (where organic matter decomposed to form organic manure)
4. Piloted awareness drives of cleaning of streets, drains and back alleys.

**Apart from this, following activities have been conducted by our volunteers under SBSI 2018:**

- Conducted awareness drives and programs on personal Hygiene and Sanitation
- Special lecture and demonstrations on Solid Waste Management
- World Environment Day was celebrated by conducting Swachhata awareness programs and rallies on "Say No to Plastic".
- Awareness Campaigns/Programs/lectures on Underground Drainage System.
- Special lectures were conducted on Vermicompost Pits.

### **Summary of Swachh Bharat Summer Internship-2018**

#### **1. AWARENESS CAMPAIGNS AND INTERACTIVE SESSIONS**

The IEC activities undertaken by the SBSI interns to target behavioural changes around open defecation, hygiene practices, solid/liquid waste management among others behaviour and public awareness campaigns were strategically planned to reach the target audience and to communicate specific messages tailored to that group. Interactive sessions are more successful if they are tailored to the context, values language and resources available to local audience. The awareness campaigns were conducted keeping in mind the objective of the internship i.e. Swachhata. Various campaigns were conducted oriented towards personal hygiene, health, cleanliness, segregation of waste and its disposal, and prevention of vector borne diseases like malaria, dengue and digging of compost pits were conducted. The awareness programs were categorized in three fragments: (i) Door to Door visits (ii) Awareness rallies (iii) Special lectures and interactive public talks.

Initially, the focus was on observing and analysing the condition of the selected villages through field work.

During the awareness drives, our volunteers made hand-made posters, pamphlets and placards exhibiting the basic ideas, slogans and taglines of Swachhata like "Hum Sabka Ek Hi Nara, Saaf Suthra Ho Desh Humara, "Geela Kachra Hare Dustbin Mai", Sukha Kachra Neele Dustbin Mai" "Green India, Clean India". The efforts were made to meet the above stated objectives and focused specifically on prohibition of the use of plastic bags as well.

## 2. DOOR-TO-DOOR CAMPAIGN

The main goal was to create awareness among rural people and particularly engaging the local community in cleanliness drives. Door to Door meeting was done for spreading awareness about personal hygiene and sanitation. Our interns spread the awareness on epidemic diseases that are caused by the dirty and unhygienic surroundings.

## 3. AWARENESS RALLIES

The awareness rallies aimed at spreading among the public the notion of swachhata and its importance. The participants used the slogans of Swachh Bharat while carrying placards with information about the harmful effects of using plastic.

#### 4. SPECIAL LECTURES ON SOLID WASTE MANAGEMENT AND PERSONAL HYGIENE

Special lectures were organized on Solid Waste Management and development of compost pits, using waste. Under the “Swachhata” Mission , Government of India, a workshops were organized on Compost making were organized by the SBSI interns.

Jagan Nath University, Jaipur

## 6. CONSTRUCTION OF COMPOST PITS

Composting is a organic way of recycling and is one of the simplest ways to manage solid waste. It can be done at home. It involves decomposing daily kitchen waste into a rich soil known as compost. Fundamentally, when you compost kitchen waste it will return the nutrients back into the soil, as a result, the life cycle continues. Villagers were given demonstration on making of compost pits. The advantages of compost pits were demonstrated to the local people.

## 7. STREET CLEANING, DRAIN CLEANING, CLEANING OF BACK ALLEYS

To emphasise the idea of community engaged tasks, the cleanliness drives aimed to inculcate in the community the importance of cleanliness of shared and public space. Cleanliness drives were conducted with the active participation of the residents. The interns cleaned the streets and also convinced people to participate in this community based program. SBSI Volunteers actively participated in these sensitization drives and created awareness among villagers about prevention of vector borne diseases like Malaria, Dengue.

## 8. CLEANLINESS AND WASTE COLLECTION DRIVES

Students with the help of local people were successful in cleaning the local areas dumped with the solid waste. The use of dustbins was encouraged throughout the summer internship. While collecting the solid waste, plastic glass and bottles, our interns consecutively asked to the local people to segregate the dry and wet waste. The dry waste from houses like plastic bottles and paper were collected.

The 100 hour Summer Internship orient our students to various dimensions of community services and exposed them to understand how to get engaged the community in social outreach programs. Students gain knowledge of the issues & challenges of rural people , behavior of local residents and ways to improve awareness. Interactive sessions helped to a greater extent to transform their minds and actions towards cleanliness drives.

Report of 3 selected students have been sent to MHRD for review and cash rewards :

1. Omraj Gautam (B. Tech CS )- Received appreciation certificate & Cash reward of Rs. 30000/- from MHRD
2. Pranshant Bairwa (B. Tech CS )- Received appreciation certificate & Cash reward of Rs. 20000/- from MHRD
3. Rounak Agarwal (B. Tech CS )- Received appreciation certificate & Cash reward of Rs. 10000/- from MHRD

## विद्यार्थियों - कर्मचारियों ने कराई आंखों की जांच

करते हुए कहा कि स्वस्थ आंखों के बिना जीवन के सभी रंग पीले हैं। अतः प्रत्येक विद्यार्थी को अपने आंखों को देखभाल करना व समय-समय पर डॉक्टर को चैक कराना आवश्यक है। उन्होंने कहा कि मिथुलक चिकित्सा जांच समाज के लिए आदर्श कार्य है अतः चिकित्सकों का योगदान प्रशंसनीय है। डॉ. जी. एस. राजगुप्ति ने बताया कि कैंप के दौरान अन्नन्द आई हॉस्पिटल के नेत्र विशेषज्ञ डॉ. अनुराग शर्मा ने विश्वविद्यालय के 125 से अधिक कर्मचारियों तथा 250 से अधिक छात्र-छात्राओं की आंखों की मिथुलक जांच तथा परामर्श द्वारा अपनी सेवाएं दीं। विश्वविद्यालय के चिकित्सा विभाग के सहायक निहायरी ने कहा कि गत वर्ष की भांति इस वर्ष भी इस तरह के कैंपों का आयोजन किया गया।

## रक्तदान शिविर लगाया

सांगानेर पत्रिका

www.patrika.com

सीतापुरा - जगन्नाथ विश्वविद्यालय में संतोकाबा दुर्लभजी हॉस्पिटल के सहयोग से रक्तदान शिविर का आयोजन किया गया। शिविर में 121 कर्मचारियों एवं छात्र-छात्राओं अपनी स्वेच्छ से उत्साहपूर्वक रक्तदान किया। शिविर का उद्घाटन विश्वविद्यालय के कुलपति वीके अग्रवाल अग्रवाल ने किया। उन्होंने

कहा कि रक्तदान एक महादान है जो जरूरतमंद व्यक्ति को जीवनदान देता है। अतः चिकित्सकों का योगदान प्रशंसनीय है। विश्वविद्यालय के चिकित्सा विभाग के डॉ. सम्पत सिंह राठौड़ ने कहा कि भविष्य में भी इस तरह के कैम्पों का आयोजन किया जाता रहेगा। अंत में अग्रवाल ने चिकित्सकों को धन्यवाद ज्ञापित किया तथा विश्वविद्यालय के समिति चिन्ह भेंट किया।

### जगन्नाथ विवि में जागरूकता कार्यक्रम 'अंगदान से मिल सकता है जरूरतमंद को नया जीवन'

जयपुर। जगन्नाथ विश्वविद्यालय में अंगदान जागरूकता कार्यक्रम के दौरान गोष्ठी के वक्ताओं का सम्मेलन।

#### कुलपति प्रो. अग्रवाल ने किया गोष्ठी का उद्घाटन, चिकित्सकों का सम्मान

जयपुर। जगन्नाथ विश्वविद्यालय में मोहन फाउंडेशन जयपुर सिटीजन फोरम, जयपुर (एसएमएस हॉस्पिटल, जयपुर) के सहयोग से अंगदान जागरूकता कार्यक्रम का आयोजन किया गया।

जगन्नाथ विश्वविद्यालय के कुलपति प्रो. वी. के. अग्रवाल ने गोष्ठी का उद्घाटन किया। कर्मचारियों एवं छात्रों को संबोधित करते हुए उन्होंने कहा कि अंगदान एक महादान है। विज्ञान की तरक्की के कारण मरणोपरांत जब व्यक्ति का शरीर किसी काम का नहीं रहता तब मृत व्यक्ति के शरीर के महत्वपूर्ण अंग निकालकर जरूरतमंद व्यक्ति के शरीर में प्रत्यारोपित कर उसे नया जीवन दिया जा सकता है। इससे उम्दा कार्य संसार में नहीं हो सकता।

इस अवसर पर मोहन फाउंडेशन जयपुर सिटीजन फोरम, जयपुर (एसएमएस हॉस्पिटल, जयपुर) की टीम के डॉ. पी. सी. जैन एवं डॉ. आर्यन माथुर ने बताया कि आजकल ऐसी बीमारियों हो रही हैं जो सीधे ही व्यक्ति के अंग को नाकाम कर रही हैं। ऐसी बीमारियों का इलाज अंग प्रत्यारोपण से ही संभव है। विश्वविद्यालय के चिकित्सा विभाग के डॉ. संजय सिंह राठी ने कहा कि भविष्य में भी इसी प्रकार के कार्यक्रमों का आयोजन कर कर्मचारियों एवं विद्यार्थियों को अंगदान करने के लिए प्रेरित किया जाता रहेगा। अंत में प्रो. अग्रवाल ने चिकित्सकों का धन्यवाद ज्ञापित किया एवं स्मृतिचिह्न भेंट किया।

**Daan Utsav** was formerly known as **The Joy of Giving Week**. The Joy of Giving Week (JGW) is a "festival of philanthropy that aims to become a part of the Indian ethos, by engaging people through "acts of giving" - money, time, resources and skills - spanning the corporate, NGO and government sectors, schools, colleges and the general public.

From auto rickshaw drivers to CEOs, school children to celebrities, homemakers to opinion leaders and media personnel, millions of people from all walks of life come together during this week to give their time, money, resources, or skills back to society. They do this by creating or participating in events of their choice.

A giving event could be as simple as a family taking out their maid's children for an ice cream party, or as large as a 'Gift Compassion'. The latter is an event that has over 10,000 schoolchildren across India making and exchanging gifts with their peers from different socio-economic backgrounds every year.

In 2016, millions of people participated in more than 1,500 events across 200 cities across the country by raising several tens of crores in money and material donations and by giving countless volunteer hours.

Several people around the world have, time and again, come together on the idea of giving back to society. It is impossible to attribute ownership to anyone for these, or likewise for #DaanUtsav!

#DaanUtsav, and the joy that can be experienced in giving, is so much more than the one week in October. One can pledge to do more throughout the year and experience more joy. One can give a certain amount every month to a charity of your choice, pledge to volunteer every few months, or launch a unique campaign to give back to society after October 8. Just remember, one can keep giving and celebrating life in so many unique ways.

There are a lot of things in the world that can make us smile but nothing beats the invaluable joy of making someone happy. Daan Utsav is India's festival of giving that brings people from various sectors together, to celebrate and spread the joy of sharing. Held annually in the first week of October, the festival has empowered millions of Indians to give back to society.

In an aim to participate in this festival, Jagannath University has also planned to celebrate the festival of joy of giving "**Daan Utsav**" from **3 October, 2017 to 7 October, 2017**

We also join hands with the India's festival of giving and joy by :

- *Donating our old books for the underprivileged childrens.*
- *Donating items of stationary as pen, pencils, notebooks etc. for the underprivileged childrens.*

Faculty and staff member of Jagannath University actively participated in this festival by giving and by motivating students also to share the joy of giving.

We are overwhelmed with the response we have got for this noble cause from faculty members and students . We have collected more than 150 books and abundant stationary items . Here are some glimpses of the event and things we have collected.

# VITTIYA SAKSHARTA ABHIYAN

(12 Dec. 2016 to 12 Feb. 2017)

**A BRIEF REPORT...**

Certified True Copy

Registrar  
Jagan Nath University, Jaipur

# Vittiya Saksharta Abhiyan

In view of recent decisions of the Government, India is on the cusp of a major financial revolution. As we shift from a cash-dependent to a cashless economy, we look forward to better social equity, availability of more resources for development work through higher revenue collection, eradication of counterfeit currency, a reduction in illegal transactions and a curb on black money.

The purpose of the 'Vittiya Saksharta Abhiyan' is to actively engage the youth/ students of Higher Education Institutions to encourage and motivate all payers and payees to use a digitally enabled cashless economic system for transfer of funds. Ministry of Human Resource Development views the institutions of higher education in the country, faculty members and students to take the lead and act as engines of this transformational shift.

The best way of leadership is to lead by example. All heads of higher educational institutions should plan for a cashless campus, within a limited timeframe, for all transactions within the campus. Various options of digital transactions are presented here. To begin with, the faculty, staff and students, whom we refer to as engines of change, need to dispel the commonly held belief that digital transactions are complex and necessarily require a smart phone and internet connectivity. They need to further educate their family members and people in their immediate surroundings and motivate them for digital transactions. NCC/NSS volunteers of an institute may take up a major market and interact with shop owners, including vendors, and their associations with an objective of developing a cashless market focusing on each point of sale.

This provides facilities for registration of each volunteer which will enable them to upload their achievements periodically. Major achievement will be acknowledged and commended.

The Ministry of Human Resource Development looks forward to active participation of students, faculty and staff members of all educational institutions in accomplishing this challenging task.

***We at Jagannath University want our students/ faculties / vendors to actively participate in this campaign of cashless economy. In this connection only we have conducted three training session in our campus by for our students/ faculties/vendors to become familiar with cashless transactions and further they can also train the people to move towards cashless transactions.***

**First Training Session**

**20.01.2017**

**Conducted by :**

**Dr. SHILPI KHANDELWAL**

Certified True Copy

Registrar  
Jagan Nath University, Jaipur

The training session was on Digital campaign. In the session students were made inclined towards the need of digital transactions, digital economy and digital world. Cashless transaction economy doesn't mean shortage of cash rather it indicates a culture of people settling transactions digitally. In a modern economy, money moves electronically. Hence the spread of digital payment culture along with the expansion of infrastructure facilities is needed to achieve the goal.

On November 8th, government withdrawn Rs 500 and Rs 1000 notes- two highest denominations in circulation. Main objectives were to fight counterfeit money and black money. The action has given tremendous boost to cashless transactions as card based and digital payments were not hindered when all high denomination cash transactions suffered because of absence of high denomination currencies.

There are several reasons why the government and the RBI brings up measures to promote cashless transaction economy. besides convenience, digital transaction gives more scope for recording of transactions and in this way it is a first step against the spread of unaccounted money or black money. Secondly, the problem of counterfeit notes can also be avoided when payment is settled digitally. The RBI and government have launched several measures for the spread of electronic and other non-cash settlement culture. The Vision-2018 for Payment and Settlement Systems in India brought by the RBI in June 2016 reiterates the commitment to encourage greater use of electronic payments by all sections of society so as to achieve a "less-cash" society.

"The broad contours of Vision-2018 revolve around five Cs — coverage, convenience, confidence, convergence, and cost. To achieve these, Vision-2018 will focus on four strategic initiatives such as responsive regulation, robust infrastructure, effective supervision and customer-centricity," – RBI. The vision statement highlights following plans:

- The regulator wants to reduce the share of paper-based clearing instruments
- It aims to raise growth of the digital payments space
- It wants to ensure accelerated use of Aadhaar in payment systems

Government also made fiscal measures for the encouragement of card culture in the 2016 budget. Exempting service charge on card-based and other digital payments was one such step. Aadhar based payment system will be a big boost for promoting the cashless transaction culture.

Certified True Copy  
Registrar  
Jagan Nath University, Jaipur

The technology has spread internet banking, mobile banking, prepaid instruments, credit and debit cards etc. and at the same time, electronic payments system is fast growing. All these indicate that India is moving towards the RBI's goal of less cash economy-steady but slowly.

Students were told how they can be engine in making India Digital. They were told about the benefits of going digital and were explained about the different modes of adopting digital transactions. They were told that as part of promoting cashless transactions and converting India into less-cash society, various modes of digital payments are available. These modes are:

### **Banking Cards**

**SECOND TRAINING SESSION**

**21.01.2017**

**CONDUCTED BY :**

**Mr. SANDEEP BHARDWAJ**

**MANAGER-IT**

**SBBJ BANK**

Certified True Copy

Registrar  
Jagan Nath University, Jaipur

A training session in our campus was conducted by SBBJ Bank for our students/faculties/vendors to become familiar with cashless transactions and further they can also train the people to move towards cashless transactions. Lots of queries on cashless transactions by students/ faculties/ vendors were resolved in the session.

The training session was conducted by :

1. Mr. Sandeep Bhardwaj- Manager-systems IT (SBBJ Bank)
2. Mr. Sajith NB - Deputy Manager-systems IT (SBBJ Bank)
3. Ms. Priya Gupta- IT
4. Mr. Ashutosh - Branch Manager Chaksu (SBBJ Bank)

Mr. Sandeep Bhardwaj explained the role of banks in digital transactions and how banks are taking initiatives and steps in going digital. He also explained that to be sure, the government on its part is working at various levels to reduce the dependence on cash. Opening bank accounts for the unbanked under the and adoption of direct benefit transfer is part of the overall idea to reduce usage of cash and increase transparency. RBI has also issued licenses to open new-age small finance banks and payments banks which are expected to give a push to financial inclusion and bring innovative banking solutions. Things are also falling in place in terms of technology for India. The recently launched Unified Payments Interface by National Payments Corporation of India makes digital transactions as simple as sending a text message. He said that as one of the biggest beneficiaries of this transition, banks and related service providers will have to constantly invest in technology in order to improve security and ease of transaction. People will only shift when it's easier, certain and safe to make cashless transactions. He told the students that the government, too, is taking steps to promote digital payments as it seeks to curb black money. It is pushing BHIM (Bharat Interface for Money), a mobile payment app based that on UPI (Unified Payment Interface) for banks and USSD (Unstructured Supplementary Service Data) modes of e-payment. It can be activated with fingerprints and the government is looking to integrate Aadhaar with the BHIM app, making the 12-digit identification number a universal payment ID. The National Payments Corporation of India, the nodal agency for all retail payment systems in the country, is working with Visa and MasterCard to develop a common QR code to facilitate cashless transactions in shops. Internet banking solutions such as NEFT (national electronic funds transfer) and RTGS (real time gross settlement) for corporate customers are in place. There are offline payment

Certified True Copy

Registrar  
Jagan Nath University, Jaipur

methods, eliminating internet security and malware threats. With UPI, money can be transferred from one bank account to another without an intermediary and the money stays in the consumer's account until the transaction is complete. Paying through digital wallets needs a third party linking the payer and the payee.

The third training session was conducted for student volunteers for VISAKA and vendors. Student volunteers were asked to share their experiences while training people for the digital transactions. The vendors were also asked to give their feedback after adopting digital payment system. The students who have successfully completed their task of teaching households/ establishments for digital transactions were asked to upload their reports / photos/ feedback on MHRD website.

Some new students were also trained for digital transactions and were registered as volunteer for VISAKA campaign. Students queries regarding cashless transactions were also resolved during the session.
