<b>Claim</b>	The University aims at providing equal opportunities to careers information, advice and guidance for all students. The centre for guidance and career counseling has been established for students to make them aware of the wide range of jobs open and provide them mature guidance in taking the

judicious occupational decision. The students in the university need to be informed about various jobs and openings available to them as well as the requirements, responsibilities and nature of work involved in them. The cell informs all the eligible students through personal mail id about jobs availability and Internship opportunities on regular basis. In addition to career counseling, the students are provided with training through well organized classes and cover the courses like - **Career Counseling, Group Discussion, Personal Interview, General English, Quantitative Aptitude, Reasoning, and General Awareness.** The classes are conducted during the months starting from August to November as per the time table. The dedicated in-house faculty conducts these classes with the support of members of Career Counseling and Guidance cell.

Initially during the academic years 2015-16, 2016-17 and 2017-18 the “Career Counseling – Competitive Exams and Placement Preparation” program were running under the supervision of the Training & Placement Cell of the University. Later in July, 2018, “Center for Career Counseling and Guidance cell” was constituted by the University to make it work in an effective way. All the relevant documents supporting claim have been attached. Keeping in view the systematic process followed, the University claims full score on this metric.
