It gives me immense pleasure to state that the three day event Zonal NASA KNACK-2015 during 02nd – 4th October, 2015 hosted by Faculty of Architecture & Planning, Jagan Nath University at Chaksu Campus, concluded with great success.

All the faculty and students coordinators of Faculty of Architecture & Planning along with their respective student coordinators have worked day in and out to make this event a memorable one.

An approximate number of 47 colleges with 45 delegates from each college (approx 2000 students) have gathered to attend the Zo-NASA and to showcase their talents in academics as well as extracurricular events. Architects like Ar. Yatin Pandya, Ar. Satya Prakash Varanashi, Ar. Sirish Sukhatamae, Sh. Chintan Joshi, Ar. Chaitalee Trivedi, Ar. Rajendra, Ar. Annu Mridul, Ar. Ram Nivas Sharma, Ar. Harsh Mittal etc. who delivered lectures, conducted workshops and took Juries were the main attraction of the event. Ar. Divya Kush (IIA-President) and Ar. Alok Ranjan were also present on the last day to grace the event.

I really thank all the staff members of the Jagan Nath University (Sitapura & Chaksu Campus) who were involved directly or indirectly for the smooth conductance of this function. Their contribution is overwhelming as this could not have been possible without their dedication and support.

We, at Faculty of Architecture & Planning, would like to thank our respected Vice-Chancellor Sh. V.K. Agarwal and our Chairman Sh. Deepak Gupta ji, for their constant support and encouragement throughout the event.

--
warm regards,
Ar. Sumeet Rai
