## *2nd E-Alumni Meet*

6<sup>th</sup> March, 2021

### **A BRIEF REPORT...**

*“Be like a tree, stay grounded, connect with your roots return a new leaf, enjoy your uniqueness and keep growing”*

The Alumni Cell of the University conducted second E-Alumni meet on 6<sup>th</sup> March 2021, for the entire university (Faculty of Engineering and Technology, Faculty of Management, Faculty of Law, Faculty of Architecture) for the batches passed out in the year 2010 to 2015. The total of 154 Alumni registered themselves for attending the meet. Since the meet was virtual, 48 alumni got connected through Zoom and approx 400 alumni joined us through You Tube, where the event was live streamed, it was indeed overwhelming to see and meet the alumni after a long time.

The event started with the speech by Dean Alumni Dr. Jyotsna Sharma, followed by address by hon'able President Dr. H L Verma and Pro President Dr. Vaishali Sharma and address by the Registrar Mr. Tanmay Pattanayak.

The event was also joined by Deans of various departments, who then deliver their speech informing about the current happenings in the respective departments. In order to make the alumni relive the moments they've spent here in the campus, videos were prepared by the participating department. As they say, *“Because every picture tells a story”*, these videos had old pictures of the alumni and the University campus. The presentation was followed by Alumni talk, wherein two to three alumni from each department participated.

Two major happenings also took place in the event; the launch of the second Alumni Magazine **“JU ALMA KONNECT”** and launch of University Alumni portal **“JU Konnect”**. These two

activities are step towards amplifying the connection between the alumni and the university. The alumni of this university have always been affable and supportive and this is yet another forum through which we get a chance to stay in touch with each other.

In the end the Alumni shared their experiences and suggested that more of such events should be organized on a regular basis in the university. The following feedbacks were received from the alumni.
