EXECUTIVE SUMMARY

Jagannath University co-ordinated and organized the following training programmes for academic and non-academic staff of the University, through its various departments. A total of 12 training programs were conducted for both academic and non-academic staff. The major thrust areas of training programs were:

1. Digital learning enabling systems
2. Intellectual property rights
3. Research and ethics
4. Mental and emotional well being in pandemic situation
5. Quality in education
6. New education policy
7. Specific domain areas as desired by departments
8. Professional development

Keeping in view COVID-19 guidelines of the Government of India, some training programmes were conducted through online mode.
