

Department of Engineering & Technology

Circular

Date: 1st November 15

This is to inform that Department of Engineering & Technology is going to organize a **Workshop on "Software Testing, Cyber Security, .NET, AutoCAD, Catia, Erp Oracle"** on 6th November 2015 at Seminar Hall, A- Block Chaksu Campus from 10:30AM-12:00PM.

All faculty members of the department are requested to encourage all students to attend the event without fail. The Brochure is enclosed for your reference.

About the Speaker

Dr. Surendra Yadav

Dr. Surendra Yadav is a Professor in the Department of Computer Engineering at Career Point University Kota. His research areas are Data Mining and Knowledge Discovery, Natural Language Processing, Cloud Computing, and Big Data. He has rich experience in research publications and has attended many conference and workshops as Keynote Speaker. He has chaired the sessions in different international and national conferences.

Faculty of Engineering & Technology

A Report on

A Workshop on 'Software Testing, Cyber Security, .Net, AutoCAD, CATIA, Oracle'

(6th Nov 2015)

The workshop was organized by Faculty of Engineering & Technology held on 6th Nov 2015. The workshop schedule was divided into four parts:

- (i) Software Quality Testing
- (ii) Cyber Security
- (iii) .NET
- (iv) AutoCAD, Catia, Erp Oracle

Purpose of the workshop

Purpose of the workshop was to enhance the knowledge of the students about the current industry requirements. The platform like .NET and Cyber security plays important role any organization whether it is software industry or any other industries.

Participants of the workshop

A total of 112 registrations were received and 91 had attended the event. The students from various programs like Diploma, Graduate and Post Graduate have participated in this workshop.

Key Note Speaker: Prof. Surendra Yadav, Career Point University, Kota, Rajasthan

Workshop Contents

A. Software Quality Testing

The following topics were covered in the workshop:

- Execution process of the Software Testing
- Software Testing; an evaluation of the software after its completion.

Workshop Contents

A. Software Quality Testing

The following topics were covered in the workshop:

- Execution process of the Software Testing
- Software Testing; an evaluation of the software after its completion.
- Quality Control and Assurance

B. Cyber Security Issues

In this session following topics were covered:

- Need of Cyber Security
- Fundamentals of Networking
- Introduction to KaliLinux
- Google Hacking Database
- Concept of Spider/Crawler
- Virus, Worm, Trojan and Rootkit

C. .NET

In this session following topics were covered:

- Introduction of .NET Framework
- The Common Language Run Time and .Net Class Framework.
- Programming Structures Cover Data Types
- Reference Types
- Desktop vs Web Application in .NET

D. AutoCAD, Catia, Erp Oracle

In this session following topics were covered:

A Report on 7th Faculty Development Programme

One day 7th Faculty Development Programme was organized by Faculty of Management and Faculty of Law, Jagannath University on 22nd Jan 2016 at Sitapura Campus. The theme for the FDP was “**Developing World Class Teaching Competencies: A New Perspective**”.

In inaugural session the guest, the dignitaries and participants were welcomed. Welcome address was given by Mr. Tanmay Pattanayak, Registrar who also encouraged and gave his best wishes to all the participants. 34 participants from different universities and institutes and 13 internal participants attended the programme.

The first session of the programme was based on **Quality Assurance through Six Sigma Approach** which was delivered by Ms. Shilpi Mookim, Senior Manager, Genpact (Black Belt – Quality). Ms. Shilpi Mookim, in her technical session covered the importance and use of Six Sigma Approach in Education System. She emphasized on the small methods used in Six Sigma Approach and involved participants in exercises helping to understand the same. Vote of thanks for the session was delivered by Dr. Kapil Khatter, Dean FOM.

The second session started with the warm welcome of Prof. M. S. Verma, (Retd. Professor, DU) by Mr. Tanmay Patnayak, Registrar, Jagannath University. Prof. Verma discussed about Education System and quality, the relevance of quality by giving a brief overview of it. He discussed about the nuances of Quality standards followed by world class universities. He very nicely involved participants on analyzing whether Indian education system is ready to adopt these quality standards.

These technical sessions were followed by Valedictory address by Dr. Shilpi Khandelwal and Vote of Thanks for the program delivered by Dr. Vaishali Sharma, HoD, FOM.

The programme was highly appreciated by the participants with the hope to organize more such programmes involving their participation.

The Society

Jagannath University Jaipur has been promoted by Jagannath Gupta Memorial Educational Society, a nonprofit registered organization. The society has been imparting high quality professional education in Delhi, NCR and Jaipur.

The University

Jagannath University was established in the year 2008 and incorporated under the act number 19 of 2008 of the Rajasthan State Legislature and empowered under section 2 (f) of UGC Act 1956 to award degrees, diplomas and certificates.

The university is situated at NH-12, Chaksu bypass, Tonk road, Jaipur which is in proximity to the Airport and Industrial area having a vast campus spread over 40 acres of land with all modern educational facilities in its ambience. The University also has its own 10.5 acres of campus at Sitapura, Jaipur.

Faculty of Management

The Faculty of Management aims at nurturing highly motivated prospective business icons and entrepreneurs to meet the growing needs of society for training personal to lead and operate industries in today's business. The program prepares the students with the skills, knowledge and strategic perspectives essential to the leadership of business around the world.

Faculty of law

The objective of the Faculty of Law is to produce professionals of Law through imparting quality legal education, making them capable of achieving positions of leadership in law, business, government, education, and public service. Most importantly, Faculty of Law is dedicated to producing social Engineers.

Jagan Nath University, Jaipur

Theme

“Developing World Class Teaching Competencies: A New Perspective”

Sub Themes

A) Establishment of Quality Framework in Educaion

B) Quality Assurance in Education Through Six Sigma Approach

Objectives of FDP

- The objective of this program is to encourage teachers to continuously seek to improve their ability and to guide along their desired career paths.
- To provide a platform for discussing new developments, and integrating ideas and experiences for better understanding of one's role.
- To lay the foundation for change and at the same time to maintain the best qualities of the present in the field of higher education
- To learn valuable quality based strategies to enhance performance.

Program Coverage

Inputs will be provided under the mentioned sub-themes

- Instructional strategies and methodologies
- Practical oriented approach along with group activities
- Fundamental methodology used for educational performance excellence

Program Benefits

- Practical exposure with learning experience
- Learn the right practices for energizing performance
- Work with experts and educators who knows what works and what doesn't
- Overall development for teaching excellence
- Updating oneself with contemporary practices for maximizing value

Who can Participate

- Academicians
- Research Scholars
- Industry Personnel
