Claim	The IQAC was established in the University in the year 2015 and has significantly contributed towards quality assurance in various areas including enhancing teaching learning process by integrating ICT tools, stakeholder participation through regular feedbacks, updating the curriculum as per Outcome Based Education System, establishing

	various centers, cells for initiating training and development activities for both staff and students, research and consultancy projects etc.
	2 major practices institutionalized as a result of IQAC initiatives include – systematizing the teaching learning processes and designing feedback system with participation of all stakeholders and its successful implementation; upgradation of syllabi by implementation of CBCS in 2015 and OBE in 2018. All the documents supporting claim are attached.
	In view of the above, the University claims full score in this metrics.
