Report on Green Practices & Environment Promotion beyond Campus

Jagannath University has been regularly taking various initiatives for environment conservation/promotion. One of the prominent activity, Jagannath University has initiated “plastic-free-village” Campaign in its adopted villages. As one of the participating UBA institutions, University has distributed Cloth Bags in each household of our adopted villages (Birdhpura Swami ka Bas, Mahachandpura, Rampura, Girdharilalpura, Tigariya) and collected back all Plastic Bags that are being used by them. The campaign was run between 11 Sept to 2nd October, 2019 to make these villages plastic free village. The details of the campaign are as follows:

11-14 September

Village MAHACHANPURA

40 student volunteers with 5 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. approximately 12 kgs of plastic waste is collected from the village and 100 cloth bags were distributed in the village.

16-21 September

Village RAMPURA

40 student volunteers with 5 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. Approximately 10 kgs of plastic waste is collected from the village and 100 cloth bags were distributed in the village.

23-28 September

Village - GIRDHARILALPURA & TIGARIYA

40 student volunteers with 5 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. Approximately 18 kgs of plastic waste is collected from the village and 200 cloth bags were distributed in the village

30 September to 2 October

Village- BIRDHPURA SWAMI KA BAS

20 student volunteers with 3 faculty members visited the village and collected plastic waste from each household and distributed cloth bags to each household. Approximately 12 kgs of plastic waste is collected from the village and 100 cloth bags were distributed in the village.

The University students along with the faculty members conducted rally in each of the adopted village for the awareness of harmful effects of plastic waste. They also conducted a meeting with the Sarpanch and ward members of each village for the ban of single use plastic.

Jagannath University has collected around 52 kgs of plastic waste from all the households and distributed 500 cloth bags in these adopted villages. The University kept the target to distribute 1000 cloth bags in these adopted villages and has achieved this target before lockdown.
