### **Report on Vigilance Awareness Week**

Vigilance means to be watchful to be alert what is happening and what can happen. The **Vigilance Awareness Week** has been **celebrated** from 28th October to 2<sup>nd</sup> November, 2019. The Commission has been laid stress on Preventive **Vigilance** and driving home the point that **vigilance** should not be seen in isolation but as a tool to achieve good governance and better operational results.

The **theme** of the **vigilance awareness week** was 'Integrity- A Way of Life' The Vigilance Awareness Week is being celebrated every year and coincides with the birthday of Sardar Vallabhbhai Patel, known to be a man of high integrity.

The CVC also appealed to the media to spread awareness on this issue among the public at large. The Commission receives many complaints from the public at large every year. The awareness should be generated among the public so that the complaint is addressed to the appropriate authority and the action can be taken faster.

Besides the regular activities of display of banners, posters, advertisements in the Newspapers and organization of activities such as lecture, panel discussions, competitions in Government and Public Sector Organizations, the Commission this year is reached out to college and school students in a big way. Debates/Elocution/Lectures have been organized in 135 cities/towns spread across the country. CVOs of 101 organizations are involved in these competitions and each CVO has been assigned certain number of cities/towns instructed to organized these competitions. Activities have been organized across India in cities including Delhi, Chennai, Mumbai, Kolkata, Hyderabad, Bangalore, Pune, Rajasthan and Ahmadabad.
