Different activities and training session has started in the university related to placement and current market requirement.

Apart from the above the Deans/HODs were requested to understand the ground reality by going through the course file and other relevant documents, and interaction with students & faculty concerned in case of faculty members scored less than 4 out of 5 in the feedback. If required, the Faculty members shall be counseled and further progress shall be monitored in the upcoming class committee meetings. If the situation persists, the Deans/HODs shall explore the option of changing the faculty member concerned internally.
