NEWS BULLETIN

Edition : March 2021

FROM THE DESK OF PRESIDENT

Prof.(Dr.) H.L. Verma

Dear Friends,

I take opportunity to write a forward for the News Bulletin, March 2021 Edition, brought by Jagan Nath University given details of various activities including Webinars, Seminars, Placement Drives, Cultural and Sports activities during the current semester.

It is a matter of great honour and pride to be a part of Jagan Nath University, Jaipur as its President (Vice Chancellor), which is an institution committed to achieve excellence in higher education in a serene, safe and healthy environment with focus on developing creativity, intellectualism, leadership and human values among youth of the country. Being sensitive towards various emerging issues in higher education sector like quality, employability, affordability, accountability, skill development, entrepreneurship, professionalism, etc., the University has put systems in place to provide right type of knowledge and skills that may help students succeed in their career and play constructive roles in nation building.

The University is offering UG and PG programs in various disciplines including Engineering and Technology, Architecture, Management, Law, Agriculture, Life & Allied Sciences, Physiotherapy, Pharmacy and Education. All the programs offered follow Choice Based Credit System (CBCS), outcome based education, holistic education approach and basic principles of New Education Policy (NEP). Use of blended technology for curriculum delivery, continuous up-scaling of infrastructure and learning resources, extended focus on research and outreach programs, student centric approach and ambiance, and value based corporate governance matching to the present needs of higher education would help achieve learning goals of students.

Friends, university education is more than academics. Choosing a University is one of the important decisions in one's life. Education is not only for professional career, but also for development of life skills and citizenship. Education is for life. Our motto is to develop the University as an institution which ensures holistic growth of learners.

I congratulate the Editorial Team under the leadership of Mr. Manish Mani to bring out the News Bulletin in digital form for the information of all stakeholders.

FROM THE DESK OF EDITOR IN CHIEF

Mr. Tanmay Pattnayak

Dear Student,

Education is a process which contributes in building socio-economic infrastructure of the nation; as such educational system plays a prominent role in shaping the future of the nation. Primarily, higher education is responsible for supplying a well developed human resource; therefore, the university system carries the responsibility of grooming and sharpening the young minds of the nation. It's really a great opportunity for me to connect you all through this inaugural issue of the News Letter of Jagannath University, Jaipur This is certainly a great achievement of the University to capture the memorable moments and achievements of all the stack holders of the University which will subsequently be projected through this News Letter. I am quite sure this will provide a great source of inspiration both to our faculty members and students at large. Let us work collectively and systematically to promote growth of this University and make it the first choice of students. For this, the university set up must be of high standard every student of the university can grow and develop holistically and become competent enough to contribute his/her best for the overall growth of the society. Finally, I request all the stack holders to kindly contribute your best for success of this news Letter.

FROM THE DESK OF EDITOR

Mr. Manish Mani

Dear Readers,

It is a matter of great pleasure to convey my sincere wishes through this message to the readers of Jagannath University News Bulletin that the main objective of making this news bulletin is to create an awareness and interest among the students and the readers that Jagannath University gives such an immense platform for its students that enable them equipped with knowledge and practical exposures and train them in generic and life skills in addition to core discipline subjects to enhance employability in job market and for entrepreneurship as well as to face the global challenges successfully. I convey my best wishes for your future endeavor and look forward to be in touch with us with your precious feedback and give your best for the success of this news bulletin.

NATIONAL ROAD SAFETY MONTH ORGANIZED BY JAGANNATH UNIVERSITY

18 January to 17 February 2021

Every year, more than 1.50 lakhs people lose their lives in our country in road accidents and many more are debilitated. This causes immense economic hardship and emotional trauma to their families. There is an urgent need to make our roads safer as the loss of lives and limbs cannot be accepted as the price of mobility. There is a need for the society at large to take cognizance of the issue and to join hands to make road safety a social movement. "Road Safety Week" is observed throughout the country every year in order to highlight and emphasize the need for safe roads. This year instead of "Road, Safety Week", the Ministry of Road Transport & Highways (MoRT&H) has planned to celebrate a month-long campaign "National Road Safety Month" was observed from 18th January 2021 to 17th February 2021. The theme of this year is, "Sadak Suraksha- Jeevan Raksha".

Regarding this Jagannath University also celebrated the Road Safety month from 18th January 2021 to 17th February 2021 in the chaksu campus. Around 80 students of the university have participated in pledge ceremony for road safety on 18th February, 2021. Apart from the pledge ceremony, the university organized a poster competition for the students. 77 students participated in poster making activity in different groups. At the end all the participants were encouraged by giving certificates to them.

Republic Day Celebration at Jagan Nath University Campus

26 January 2021

@ Jagan Nath University Campus, Jaipur

Jagan Nath University, Jaipur celebrated Republic Day with great enthusiasm and fervour. The students, staff and family members of residents were present in large number on the occasion while maintaining social distancing norms and health protocols. The ceremony started with the hoisting of National Flag by Prof. H.L.Verma, President (Vice-Chancellor) of the University and recitation of National Anthem. In his speech, the Vice Chancellor, while reflecting on the historical background of Republic Day, salient features of Indian Constitution and its enshrined values of justice, equality, liberty and fraternity, he called upon the student community to work hard, grow as responsible citizens and be ready to participate in the growth trajectory of India. He assured students that the University has initiated the process of upgrading the academic system towards implementation of new education policy and requirements of job market to provide them right type of education and safe careers. The students organized the cultural events and reciprocated to the spirit of Republic Day celebration through patriotic songs, poems, dance, skit and speeches. The celebrations concluded with National Anthem and greetings from the university family that India should prosper as a sovereign, socialist, secular, democratic and republic country to emerge as a strong nation in the world in this highly competitive global environment.
